PROF. O. J. WOOD—Dear Sir: Some time last Summer we were induced to use some of your Hair Resterative, and its effects were so wonderful, we feel it our duty to you and the afflicted, to report it.

Our little son's head for some time had been perfectly covered with sores and some called it scald head. The hair almost entirely came off in consequence, when a friend, seeing his sufferings advised us to use your Restorative, we did so with little hope of success, but, to our surprise, and that of our friends, a very few applications removed the disease entirely, and a new and luxuriant crop of hair soon started out, and we can now say that our boy has as healthy a scalp, and as luxuriant a crop of hair as any other child. We can therefore, and do hereby recommend your Restorative, as a perfect remedy for all diseases of the scalp and hair. We are yours respectfully,
