The Medicine of the Million

A RESISTLESS REMEDY! HOLLOWAY'S OINTMENT.

HOLLOW AT'S OINT MENT: GIRCULAR TO THE SICK.—The first hospital sur-geons and medicinal publicists of Europe admit the unparalleled anti-inflammatory and healing properties of this Uniment; governments gunction its use in their naval and military services; and the masses in this coun-try and hiroughout the world, repose the utmost conf-dence in its curative properties. It penctrates thosour-res of inflammation and corruption which underlie the external evidences of disease, and meitralize the fury el-ements which feed and exisperate the malady.

Rheumatism, Scrofula, Erysipelus. These are among the most terrible and agonizing dis-cases of the muscles, the flexby fibre and the skin; jet in their worstforms, and when seemingly incurable they invariably displacer under a persevering application of this scotting, heating intitiote to pain and inflummation. Salt Rheum, Fev. r Sores, Stiff Joints.

In all cases of Salt Bleum, where medical waters, lo-tions, and every recipe of the pharmacopica have proved usiles, the Ointment will accomplish a thorough cure. Favor. Sores heal quickly andor its influence, and its re-baxing effect noon contracted showeds cruly wonderful. Discharging Ulcers.

Discharging ULCEPS. A most luminizable and happy change is produced in this appenrance of malignant ulcors after a few applica-tions of this Ultiment. The surrounding redness van-labed and granules of healthy fiesh, begin to take the place of the discharged matter. This process goes on active of less rapidly until the orthor is filled, up with south indictual, and the sacer ratically cured. A Woord to Authema.

A Word to Mothers.

The young are the most frequent sufferers from ex-ternal informes, and therefore every mother should have this bashing preparation constantly at hand. It is an absolute specific for sore breasts, and quickly removes the enditude sores which sometimes disfigure the heads and faces of children.
