Wm. M. BRESLIN, Editor and Proprietor. LEBANON, PA. WEDNESDAY, OCTOBER 19, 1859.

FOR PRESIDENT IN 1860, JOHN C. BRECKINRIDGE, OF KENTUCKY.

The election is over and we have been most completely defeated, in almost every particular.

The causes which produced the defeat of the Democracy in the good old Commonwealth of Pennsylvania, are apathy, treason, and a small poll.

While the Opposition were straining every nerve to succeed, our friends stood idly by with folded arms.

The friends of reform are greatly encouraged, and hope to achieve a complete triumph in the State election.

The popular vote, leaving out the Twentieth Ward, shows the Know Nothings have only 387 majority.

The most notable cause of our defeat on last Tuesday, however, was the small democratic vote polled.

A Presidential and gubernatorial election is now before us, and it is time for the Democracy to arouse.

With an honest and competent candidate for Governor, the Democracy of Pennsylvania cannot be defeated.

The bride's trousseau consisted of seventy-five dresses, and other arrangements to match, and cost some \$10,000.

During the performance of the marriage ceremony, the assembly of spectators, momentarily calm at the opening, fell back into tumult.

THE RESULT IN OHIO.—The Cincinnati Enquirer has returns from forty-four counties in Ohio, in which the Republican maj. is more 5937.

THE DUEL BETWEEN BRODERICK AND TERRY.—The San Francisco Times, of the 14th ult., says: In accordance with our anticipations the expected duel between Senator Broderick and Judge Terry, took place yesterday morning in a small valley ten miles from Merced Lake.

The State Ticket has the following majorities in Berks county—Wright 1193; Rowe 817. The entire Democratic county ticket is elected by the following majorities—Smith for Assembly, 875; Custer, do., 1025; Miller, do., 957; Biting, Sheriff, 558; Bochtel, District Attorney, 1051; Plank, Treasurer, 771; Moers, Commissioner, 1123; Filbert, Director, 1182; Zacharius, Surveyor, 967; Klee, Auditor, 1075.

The telegraphic despatch, which went the rounds of the press, last week, that President Buchanan intended suing Col. Forney for libel, is entirely unfounded.

A deaf man, named Patrick McGuire, was killed on the East Pennsylvania Railroad, last week, by being run over by the cars. He was working on the road.

MUNICIPAL ELECTION IN BALTIMORE.—NATURALIZED VOTERS EXCLUDED FROM THE POLLS.—The municipal election for members of the City Council was held on Wednesday. In many of the wards the polls were blocked by rowdies, against all naturalized voters.

The result shows that the naturalized voters were almost entirely excluded. Notwithstanding the fact, the reformers carried seven wards, and with two or three exceptions, the most objectionable candidates are defeated.

The friends of reform are greatly encouraged, and hope to achieve a complete triumph in the State election.

LATER FROM EUROPE. Death of the Minister to France. FATHER NORTH, Oct. 16. The steamship North Briton passed this point early this morning.

The London Times has another sharp article on the San Juan difficulty. While rejoicing at the mission of Lieut. General Scott, and trusting to a pacific solution, the article in question asserts that the island belongs to England, and pitches inter-Gent Harney as a filibuster.

Gen. Garibaldi has issued a proclamation summing up the Italians of the Legation to arms, and a collision is shortly expected.

THE POLITICAL CAMPAIGN.—CANDIDATES FOR SENATORSHIP.—MR. BRODERICK'S ESTATE. St. Louis, Oct. 16.—The Overland Mail which arrived last night brings San Francisco advices to the 23d ult.

Mr. Broderick's estate is valued at \$130,000, which is encumbered by \$85,000. He left no will, and was supposed to have no relations, but two persons in San Francisco, named Edmund Welsh and Lucy Brown, claim the estate, being, as they assert, consins in the second degree.

The New York politicians will do to travel. The latest dodge is practised by those who wish to be delegates to the Charleston Convention.

PREVIOUS TO THIS, Terry and his friends left the field, driving rapidly into town, and started at once from the north beach, where a boat was waiting, and proceeded to Oakland, where they took a private conveyance to Benicia.
