HOME AFFAIRS.

Mr. T. Oves has removed his Grocery Store to the new building Intely erected by Mrs. Ssoever, nearly opposite Mrs. Rise's Hutel. He will make additions to his stock so as to make it a first class Grocery Store.

We direct attention to the advertisement of Messys. J. B. R auch and Stephen Light, in another column. They have just opened a large and magnificent stock of goods, of all varieties which, they will sell cheap for each or exchange for country produce.

THE BUCKWHEAT CROP.-There are no data by which to estimate the extent of the Buckwheat crop this year ; but the informa. tion we have leads us to believe it an enoringus one. The yield has been most bountiful-more so than ever before The season was favorable in almost every respect; and a great deal of it was sown early, giving it an opportunity to mature during the most favorable part of the season.

The Shoe Store of J. Henry Weaver, in Mnirket street, was again broken into by some scoundrels on Monday night, and robb. ed of nearly all the work in the Store. An attempt was also made to fire the building, but fortunately this villianous attempt failed. We trust our officers will spare no efforts to detect the robbers and would be incendiaries.

The Town Council have had constructed two substantial and highly-need-d alley crossings at Zion's Church and Schwartz's Store, They are the best crossings in town.

The property-holders on the South side of Chestnut street, have had considerable expense, to bring 'heir pavements to the grade required by the Town Council. Chestnut street will be be one of the handsomest streets in town, and as the citizens residing along it have had so great an expense, they may with some propriety expect that others without the grade be also brought up or down to it. Lot "Equal and exnot justice to all men," be the motto.

The fi st snow of the season fell on Thursday last, at about 21 in the afternoon .--It was a small Leginning, but no indication of what may come in the snow line during the winter at hand.

The Glassford Family, consisting of Mr. and Mrs. Glassford, and several children, gave three Exhibitions in the Town Hall, last week. Thair playing was very good, in fact audiences were kept in a perfect roar nearly all 'the time. The Glassford's deserve to succeed, and we trust they may fare well in Reading, Philadelphia, and other places to which they are 'traveling.

There will be a Brigad Parade of the Uniformed Volunteer Companies comprising the 2d Brigade, 5th Division, P. V. at Fredoricksburg, on Saturday next. October 29. Gen. Urich will be present to review the Parade.

The Washington Artillery of this place will attend the above parade in full uniform, for inspection. They will meet at Lebanon at 5 o'clock on Buturday morning, propared to start. By order of Capt. Embich. GEO. P. SMITH, O. S.

THE RESULT IN THE STATE. On the 22d inst., in this borough, Mrs. Marga-We publish below the official vote ret, wife of Frederick Searfoss, and daughter

The Concerts given by Mr.Kemnever and his class on Saturday and Monday evenings were well attended, and gave general satisfaction. Next Saturday evening our neighbors of Myerstown will be favored with a similar entertainment. The may expect a pleasing treat, and will no doubt turn out in their strength .----The exhibition will take place in the Academy.

SARSAPARILLA .- This tropical root has a reputation wide as the world, for curing one class of the disorders that afflict mankind-a reputation too which it deserves as the best antidote we possees for scrofulous complaints. But to be brought unto use, its virtues must be concentrated and combined with other medicines that increase its power. Some reliable compound of this character is much needed in the community. Read the ment of DRY GOODS, advertisement of DR. AYER's Sarsaparilla in our columns, and we know it needs no encou

Special Notices.

The heavens were illuminated on the evening of August 28th, 1859, by the most splendid Aurora Boreallis ever seen in the country. Rays of parti-color-ed light finshed across the sky, and the changes were beautiful in the extreme. At one time a rapt observer remarked that he fancied he could see the sparking lights form themselves into the following words :--Bay all your garmenes at the Brown stone Clothing Hall of Rockhill & Wilson. Nos. 603 and 605 Chestnut St., above Sixth, Philadelphia. Sept. 7, '59.
