Ayer's Sarsaparilla A compound remedy, in which we have labored to porduce the most effectual alterative that can be made.—

It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater attentive power as to afford an effective antitude for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted follow-citizons. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:—

Serofila and Scrofflious Complaints, Eruptions and Bruptive Diseases, Ulcers, Pimples, Blotches, Tumors, Salt Rheum, Scald liead, Syphills and Strukture Affections, Mercurial Disease. Dropesy, Negralcia or Tie Doulouseux, Denkirt, Dyspersia and Indigestion, Eavisipelas, Rose or St. Anthony's Fire, and indeed CRYSIPELAS. ROSE OR ST. ANTHONY'S FIRE, and inc the whole class of complaints arising from IMPURITY OF

EATSIPELAS, ROSE OR ST. ANTHONY'S FIRE, and Inuecouse the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves, from the endurance of foul cruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleans out the vitinated blood whenever you find its impurities bursting through the skin in pimples, eraptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorer is felt, people enjoy better health, and live longer for cleaning the blood. Keop the blood healthy, and all is well; but with this pabulum or life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great macflinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation, Sarsaparilla has, and deserves much, the reputation,

must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation, of accomplishing these ends. But the world has been egregiously deceived by preparations of, it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little virtue of Sarsaparilla, or anything else.

Duiring late years the public have been misled by large bottles, pretending to give a quart of extract of Sarsaparilla, for one dolar. Most of these have been frands upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat, Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obliquy which rests upon it.—And we think we have ground for believing it has virtues which are irrestible by the ordinary run of the diseases it is intended to cure. In order to secure their complete cradiction from the system, the remedy should be judiciously taken according to directions on the bottle.

PREPARED by

DR. J. C. AYER & CO. LOWEL, MASS. Price, \$1 per Bottle; Six Bottles for \$5. Ayer's Cherry Pecto-IRAL, has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.

Ayer's Cathartic Pills Costiveness, Jaundice, Dyspepsia. Indigestion, Dysentery, Foul Stomach, Erysipelas, Headache, Piles, Rheumatism, Eruptions and Sin Diseases, Lever Complaint, Dropsy, Tetter, Tamors and Sul Rheum, Worms, Gout. Neuralgia, as a Dinner Pill. and for Purifying the Blood.

They are sugar-coated, so that the most sensitive can take them pleasantly, and they are the best aperient in the world for all the purposes of a family physic.

Price 25 cents per Box; Five boxes for \$1.00.

Great number of Clergymen, Physicians, Statesmen, and eminent personages, have lent their names to certify the unparalleled usefulness of these remedies, but our space here will not permit the insertion of them. The Agents below named furnish gratis our American Alman and in which they are given; with also full description of the above complaints, and the treatment that should be I-llowed or their cure.

Do not be put off by unprincipled dealers with other preparations they make more profiton. Demand Atm's, and take no others. The sick want the best aid there is for them, and they should have it.

Sworn statement of David M'Creary, of Napier Tewaship, Beford county:

In April, 1856, as near as I can remember, a small pimple made its appearance on my lip, which soon became enlarged and sore. I used poultiess of sorrel, and wash of bine vitrol, without effect. Finding the sore extending, I called on Dr. Ely, of Schelisburg, who proneunced it Cancer, and prescribed a wash of sugar of lead and bread pulltiess. Finding these remedies of no avail, I called upon Dr. Shaffer, of Davidville, Somerset county, who also pronounced the disease Cancer, and gave me internal and external remedies—the latter consisting principally of caustics; but all to no purpose, the disease continued spreading toward the nose. I next used a preparation of arsenic, in the form of salvo. This for a time checked the disease pron unced the disease Cancer, and applied a salve said to be a never failing remedy, but it had no effect whatever in checking the spread of the sore. In December, of the same year, the disease had enten away a greater part of my upper lip, and had attacked the nose, when I went to Cincinnati, where I consulted Prof. R. S. Newton, of the Electine-Medical College. He pronounced the disease "acutanous Cancer, superinduced by an inordinate use of mercury." He applied mild zinc ointment, and gave me internal remedies. My face healed up, but the inflammation was not thoroughly removed. In February, 1857, he pronounced me cured, and I left for h. me. In April the disease again returned, and so violent was the pain that I could not rest at night! Late in May I returned to Cincinnati, and again placed myself under the charge of Dr. Newton, with whom I remained until September during which time he used every known remedy, and partly succeeded in checking the disease, but when I returned home there were still three discharging ulcers upon my face. I continued growing until it had eat of the left derful medicine. —
