HOME AFFAIRS.

Auction at Store, late of Leonard Zimmerman, on Monday, the 23d of January, 1860, at 10 o'clock, the following day until the entire stock of Merchandise is sold.

The Council met on Wednesday evening, Dec. 21. Mr. Arents moved that an order be drawn for \$12,02 in favor of the Board for building bridge over gutter in Pine Street, &c. Agreed to. Mr. Zambor moved that an order for \$900 be drawn to pay for the purchase of the lot on the corner of Pine and Second Streets. Agreed to.

By the members upon an economical scale. At a late meeting of this Company, an important amendment, making provision for disabled members, in good standing, was adopted.

THE CORNWALL ZIMMERMAN'S ASSOCIATION had a meeting at Zimmerman's School-house on Saturday a week, which was well represented. The exercises and debates relative to the teachers' profession, afforded pleasant entertainment to all present.

THE BLESSINGS OF A NEWSPAPER.—In school-room exercises it is readily perceived that children have no access to the newspaper. Education is practically demonstrated this fact, and we will show an intelligent boy or girl, and if we show a family where newspapers are plentiful. Nobody who has been without these silent private tutors can know their educating power for good or evil.

AYER'S AMERICAN ALMANAC for 1860 is now ready for delivery gratis at the Drugists, who are happy to supply all that call for them. It contains a full and complete list of the names of all the cities, towns and villages in the United States, with their population, and a full and complete list of the names of all the States, Territories and Foreign Countries, with their population, and a full and complete list of the names of all the Presidents, Vice Presidents, Senators, Representatives, and other public officers of the United States.

Admission Free.—On Thursday, Friday and Saturday evenings the admission will be free to Great's Progress of Time, Entrance through the Store.

There will be a meeting of the Union Fire Company, next Monday evening, Jan. 2. Punctual attendance is requested.

INFANT SCHOOL.—An infant school will be opened in the basement of Salem's Lutheran Church on Monday, the 9th of January, 1860. For further particulars inquire of Mrs. Rev. H. B. Miller.

BENZINE. BENZINE. BENZINE. Made up by Lemberger, Drugist, opposite the Market, for removing spots or stains from silk or wool. Also for cleaning and polishing of all kinds of Engraving, Painting or Furniture, all which after an application of the above.

EDITORIAL CHIP-BASKET. A WEEPING.—The Milvian is informed that a son was born into the family of Mr. George McDowd of Washington, Montour county, which weighed nineteen pounds seven ounces at his birth.

OUR TOWN.—We do not recollect a period when our town was so quiet, and devoid of rowdiness as it is at present. The officers have little to do, in the way of arrests, and at night our streets are more than ordinary quiet. Long may it continue so.

OUR HUNTERS.—We learn from a gentleman from the northern portion of this county, that bears and deer are numerous in the mountains. Those of our sportsmen who are fond of hunting should buckle on their armor and take a tramp to the "Highlands."

LITERARY SOCIETIES are springing up in all parts of our county. Young men who have neglected their education can thus avail themselves of self-improvement. We recently attended a debating society in Cornwall township, a high school and debate in North Lebanon township, and a number of others. We found all in a flourishing condition and the exercises of an interesting character.

TEACHERS' INSTITUTE.—We have received from Superintendent Hawk, a programme of exercises for the County Teachers' Institute, to be held in the Court House, commencing on Thursday, January 12th. We hope to see a strong turnout of teachers. The State Superintendent earnestly recommends that Directors give the time to teachers to attend. This should be done by all means, as we know from past experience that a district will gain largely if such time be granted. The Directors of several districts have already signified their intention to grant the time.

PROVOKING.—To be asked by your lady-love what time it is, a few hours after your "clever" has run out. Doubtless impertinent and calculated to make a man feel like being at his own side.

A NEW STYLE.—A queer-looking gaiter attracted considerable attention on Monday by promenading along Cumberland street with a couple of shawl thrown over his shoulders. What next?

REMODELLED.—The "Perseverance" Engine and Co. of this borough have remodelled and re-painted their "Engine House." The "Engine" which they lately adopted for their apparatus, which is run in connection with the "Engine," obliged them to make two "run-outs," immediately above the door, in raised gilt letters. The house now presents, both internally and externally, a neat appearance, and was built
