Ayer's Sarsaparilla

A compound remedy, in which we have labored to porduce the most effectual altorative that can be made.—
It is a concentrated extract of Para Sarasparilis, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarasparilia is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accemplish their cure must prove of immense service to this large class of our afflicted fellow citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:

— SCROTULA AND SCROTULOUS CCAPLAINES, BLOTCHES. TO MORS, SALE REGUE, SCROTULA SALE DEOPET, NETHALOIS OF THE DOULOURSUL, DERLIET, DEFERSA, BLOTCHES. TO MORS, SALE REGUE, SCROTULA AND SCROTULOUS CLAPLAINES, BLOTCHES. TO MORS, SALE REGUE, SCROTULA SALE DEOPET, NETHALOIS OF THE DOULOURSUL, DERLIET, DEFERSA, AND INDUSTRICA, BRITCHISTOR, EXTRIPRIAS, RORE OF ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of thom many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spars themselves from the endurance of foul exciptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleans out the vitizated blood whenever you find its impurities bursting through the skin in plumples, eruptions, or scros; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it when you find it is doctrated, there can be no lasting, health. Booner or later samething must go wrong, and the great machinery of li can be no lesting heath. Sconer or later same thing must go wrong, and the great machinery of life is disordered or overthrown.

Earseparilla has, and deserves much, the reputation' of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly bocause the drug alone has not all the virtue that is claimed for it, but more because the drug alone has not all the virtue that is claimed for it, but more because the fit, contain but little virtue of Barasparilla, br anything else.

During late years the public have been misled by large bottles, pretending to give a quart of extract of Sarasparilla for one dollar. Most of these have been frands upon the sick, for they not but ye ontain little, if any, Sarasparilla, but often no rurativa properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarasparilla which flood the market, until the name itself is justly despised; and has become synonymous with imposition and abeat. Still we call this compound Sarasparilla, and intend to supply such a remedy as shall rescue the name from the load of obliquy which rests upon it.—And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradiction from the systom, the remedy should be judiciously taken according to directions on the bottle.

PREPARED BY

DR. J. C. AYER & CO. LOWEL, MASS. Price, \$1 per Bottle; Six Bottles for \$5. Ayer's Cherry Pecto-RAL, has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entitially unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.

manace—to be had gratis, from the departs for these Phils.

The inventor and manufacturer of "Judeouts Mountain Harb Phils," has apent the greater park of his life in traveling, having visited nearly every country-in the world. He spent over six years among the Indians of the Rocky Mountains and of Medico, and it was thus that the "Mouratan Hers Phile" were discovered. A very interesting account of his adventures there, you will find in our Almanac and Pamphlet.

It is an established fact, that all diseases arise from IMPURE BLOOD!

The blood is the life! and when any foreign or un healthy matter gets mired with it, it is all at once distributed to every organ of the body. Every nervo feels the poisen, and all the vital organs guickly compalin.—The stomach will not digest the food persecut. The liver ceases to secrete a sufficiency of bile. The action of the heart is weakened, and so the circulation is feeble. The lungs become clogged with the poisonous matter; hence, a cough—and all from a slight impurity at the fountain-head of life—the Blood! As if you had thrown some earth, for instance, in a pure spring, from which ran a tiny rivulet, in a few minutes the whole course of the stream becomes disturbed and discolored. As quickly does impure blood fly to every part, and leave its etting behind. All the passages become obstructed, and unless the obstruction is removed, the lamp of life soon discout.

These pills not only purify the blood, but regenerate all the secretions of the body; they are, therefore, unrivalled as a CURB FOR BILIOUS DISEASES,

all the secretions of the body; they are, therefore, unrivalled as a CURB FOR BILIOUS DISEASES, Liver Complaint, Sick Headache, &c. This Anti-Bilious Medicine expels from the blood the hidden seeds of disease, and renders all the fluids and secretions pure and fluent, clearing and resuscitating the vital organs. Pleasant indeed, is it to us, that we are able to place within your reach, a medicine like the "Mouvram Huss Pills," that will pass directly to the afflicted parts, through the blood and finds of the body, and cause the sufferer to brighten with the fluid of beauty and health.
