Bivorn axistment of David M'Creary, of Napier Town ship, Bedford county:

In April, 1866, as near as I can remember, a small pimple made fits appearance on my lip, which soon became enlarged and sore. I used poultices of sorred, and wash of blue vitrol, without effect. Finding the sore extending, I called on Dr. Ely, of Schellsburg, who pronounced it Canons, and prescribed a wash of sugar of lead and bread poultices. Finding these remedies of no avail, I called upon Dr. Shaffer, of Davidville, Somerset county, who also pronounced the disease Cancer, and gave me internal and external remedies—the latter consisting principally of caustics; but all to no purpose, the disease continued spreading toward the nose. I next used a preparation of arsenic, in the form of salve. This for a time checked the disease, but the inflammation soon increased. I next called upon Dr. Statier, of St. Clairs ville, Bedford county, who also pronounced the disease Cancer, and applied a salve said to be a never failing remedy, but it had no effect whatever in checking the spread of the sore. In December, of the same year, the disease had eaten away's greater part of my upper lip, and had attacked the nose, when I went to Clincinnati, where I consulted Prof. R. S. Newton, of the Electic Medical College. He pronounced the disease "canteneous Cancer, superinduced by an inordinate use of mercury." He applied mild zinc cintment, and gave me internal remedies. My, face healed up, but the inflammation was not thoroughly removed. In February, 1867, he pronounced me cured, and left for hem. In April he disease again returned, and so violent was the pain that I could not rest at night! Lata in May I returned to Dincinnati, and again placed myself under the charge of Dr. Newton, with whom I remained until Septem

It is an established fact, that all diseases arise from IMPURE BLOOD!

It is an established fact, that all diseases arise from IMPURE BLOOD!

The blood is the life! and when any foreign or un healthy matter gets mixed with it, it is all at once distributed to every organ of the body. Every nerve feels the poison, and all the vital organs quickly complain.—The stomach will not digest the food perfectly. The liver ceases to scorete a sufficiency of bile. The action of the heart is weakened, and so the circulation is feeldle. The lungs become clogged with the poisonous matter; hence, a cough—and all from a slight impurity at the fountain-head of life—the Blood! As if you had thrown some earth, for instance, in a pure spring, from which ran a tiny rivulet, in a few minutes the whole course of the stream becomes disturbed and discolored. As quickly does impure blood fly to every part, and leave its sting behind. All the passages become obstructed, and unless the obstruction is removed, the lamp of life soon dies out.

These pills not only purify the blood, but regenerate all the secretions of the body; they are, therefore, unrigaled as a

all the secretions of the body; they are, therefore, unrivalled as a CURE FOR BILIOUS DISEASES,
Liver Complaint, Sick Headache, &c. This Anti-Bilious Medicine expels from the blood the hidden seeds of disease, and renders all the fluids and secretions pure and finent, clearing and resuscitating the vital organs.

Pleasant indeed, is it to us, that we are able to place within your reach, a medicine like the "Mouvann Herr Phils" that will pass directly to the afflicted parts, through the blood and fluids of the body, and cause the sufferer to brighten with the flush of beauty and health. Judson's Fills are the Best Remedy in existence for the following Complaints:
