JUST THE DIFFERENCE.—We had a number of sympathy meetings here in New York, for John Brown, not long since, and we do not know how much money was raised for his family. Now, why cannot we have a sympathy meeting for the "poor white shoemak er," striking against the slavery of starvation wages-not in Virginia

nor South Carolina, but down in Massachusetts? A BIG OX IN OLDEN TIMES.—We print, as we findit, the following extract from "Thacher's Military Journal of the Revolution," under date of June 29th, 1779.

"I have just had the satisfaction, with a number of gentlemen, of viewing a remarkable large fat ow, which has been presented by some gentlemen in Connecticut, to his Excellency, General Washington. Don'r Rus Away .- Don't run away from the Don't Rus Awar.—Don't run away from the world's temptations and influences. If you are really a coward, go and hide yourself somewhere, until you have acrawed up back bone enough to face the enemy like a man. Don't run away at the slightest indication of dauger, as if you hadn't the slightest confidence in yourself. Nobody ever conquered a fee by beating a retrent. If you mean to fight the battle of life like a hero, you gan't begin too early. Would you respect you can't begin too early. Would you respect yourself, and win the respect of others? Then don't shrink away from trials and temptations, but encounter them, smite down, lay them in the dust at your feet. A man who has conquer-ed his enemy is immensurably greater than the peltroon who creeps away in adject terror. High or low, rich or poor, we are all soldiers in the action that terminates only with the sunset of action that terminates only with the sunset of life's day, and the weak-hearted trembler who shrinks back, and quakes at the sound of the trumpet, is yet far in the rear when the light of victory shines on the crest of the warrior who pressed straight on and fought his way through. A temptation overcome is better discipline than twenty avoided. No manknows his own strength wattil it has been tried and proven and the until it has been tried and proven, and the no-blest natures have passed oftenest through the

the most effectual remedy which the medical skill of our times can devise for this everywhere prevailing and fatal malady. It is combined from the most active remedials that have been discovered for the expurgation of this foul disorder from the blood, and the rescue of the system from its destructive consequences. Hence it should be employed for the cure of not only scrofula, but also those other affections which arise from it, such as ERURIVE and SKIN DISEASES, St. ANTHONY'S FIEE, ROSE, OF ERYSIPELAS, PINFLES, PUSTULES, BLOTORES, BIAINS and BOILS, TUMORS, TETTER and SALY RIBEUM, SCALL HEAD, KINGWORM, REBUMATISM, SYPHILITIC and MERCURIAL DISEASES, DROPSY, DYSEPPHA, DEBILITY, and indeed, ALL COMPLAINTS ARISING PROM VITATED OR IMPRICED IN SOME SETTING PROM VITATED OR IMPRICED IN SURFACE AND STATEMENT OF THE PROOF. THE POPULAR DESIGNATION OF THE PROOF.

Ayer's Cathartic Pills, For all the purposes of a Family Physic,

are so composed that disease within the range of their action can rarely witstand or evade them. Their penetrating properties search, and cleanses, and invigorate every portion of the human organism, correcting its besensed action, and restoring its healthy vitalities. As toconsequence of these properties, the invalid whe is diwed down with pain or physical debility is as a nyshed to find his health or energy restored by a remied at once so simple and inviting.

Not only do they cure the every-day complaints of every-body, but also many formidacle and dangerous diseases. The agent below named is pleased to furnish gratis my American Almanac, containing certificates of their cures and directions for their use in the following complaints: Costiveness, Hearthurn, Headache arising from disordered Stomach, Nausea, Indigestion, Pain in and Morbid Inaction of the Bowels, Fatulency, Loss of Appetite, Jaundice, and other kindred complaints arising from a low state of the body or obstruction of its functions.

So wide is the field of its usefulness and so numerous
are the cases of its cures, that almost every section of
the country abounds in persons publicly known, who
have been restored from alarming and even desperate
diseases of the lungs by its use. When once tried its
superiority over every other medicine of its kind is too
apparent to escape observation, and where its virtues
are known, the public no longer hesitate what antidote
to employ for the distressing and dangerous affections
of the pulminonary organs that are incident to our climate. While many inferior remedies thrust upon the
community have failed and been discarded, this has
gained friends by every trial; confarred benefits on the
afflicted they can never forget; and produced cures too
numerous and too remarkable to be forgotten.

IF YOU WANT

JUDSON'S Mountain Herb Pills.

count of him and his people in our Pamphlets and Almanaes—to be had gratis, from the Agents for those Pills.

The inventor and manufacturer of "Judson's Mountain Herb Pills," has spont the greater part of his life in traveling, having visited nearly every country in the world. He spent over six years among the Indians of the Rocky Mountains and of Mexico, and it was thus that the "Mountain Herb Pills," were discovered. A very interesting account of his adventures there, you will find in our Almanae and Pamphlet.

It is an established fact, that all discusses alies from IMPURE BLOOD!

The blood is the life! and when any foreign or unhealthy matter gets mixed with it, it is all at once distributed to every organ of the body. Every nervefeels the poiscen, and all the vital organs quickly complain.—The stomach will not digest the food perfectly. The liver ceases to secrete a sufficiency of bile. The action of the heart is weakened, and so the circulation is feeble. The lungs become clogged with the poisonous matter; hence, a cough—and all from a slight impurity at the fountain-head of life—the Blood! As if you had thrown some earth, for instance, in a pure spring, from which ran a tiny rivulet, in a few minutes the whole course of the stream becomes disturbed and discolored. As quickly does impure blood fly to every part, and leave its sting behind. All the passages become obstructed, and unless the obstruction is removed, the lamp of life soon dies out.

These pills not only purify the blood, but regenerate all the secretions of the body; they are, therefore, unrivalled as a

rivalled as a CURE FOR BILIOUS DISEASES,
Liver Complaint, Sick Headuche, &c. This Anti-Bilious
Medicine expels from the blood the hidden seeds of disease, and renders all the fluids and secretions pure and
fluent, clearing and resuscitating the vital organs.
Pleasant indeed, is it to us, that we are able to place
within your reach, a medicine like the "MOUNTAIN HERR
PILLS," that will pass directly to the affilieted parts,
through the blood and fluids of the b-dy, and cause the
sufferer to brighten with the flush of beauty and health,
