so An English exchange has the following curious explanation of the origin of the practice of the clergy's wearing black coats. It says that in the year 1524 Luther laid aside the Monk's Costume, and henceforth dress-"On the morning of the 16th of ed according to the fashion of the world. He chose black clothes, and consequently the color has become piece of black cloth, being at that time the court fashion, and because Luther preferred it, so his scholars thought it became them to wear the same color as their master. From that time black has been the color most worn by the clergy.

> EXTRAORDINARY CASE OF BLAPHE. MY AND DEATH .- The Fort Madison. Plaindealer, of the 28th, reports a somewhat extraordinary case of blasphemy and sudden death that occurred near Farmington, Van Buren county, a few days previous. A farmer living there, while talking to a neighbor, about the dry weather, began an outburst of the most terrible blasphemy, using the vilest epithets guage, when all at once his jaws became paralyzed, his tongue became powerless, his voice ceased and he fell on the earth a corpse.
