Our neighbor of the Libanon Demokrat circulated tickets in every copy of his paper the week before the election. He certainly know that he was violating the Post Office laws in doing so by means of the U. S. Mails, and that there is now due on every copy of his paper thus containing tickets letter postage; a refusal to pay which creates a liability of \$5 fine on every copy. We only allude to the matter now, to show the difference, Had a democrat done such a thing not a stone would have been left unturned to vindieate the violated laws.

The Sheriff sold on Friday last the House of Mr. Samuel Shour in Mulberry street, near Water, to Dr. J. W. Gloninger, for \$2,330. Also, a lot of one and a third acres, on Chestnut and East streets, was sold to Mossers. Mish & Worth for \$1,305. The sale of the Mill and Mr. Myers' house was postponed. The Real Estate of Jacob Miller in East Hanover was sold to John Stine for \$500.

Mr. H. H. Roedel has placed on our table. Isanc Leib's treatise on the diseases of Horses, and their remedies. It is a very neat volume, in the German language, and, we believe, is considered as the best book of its kind in print. It can be obtained at Roedel's.

DR. BRONSON'S BLOOD FOOD .- The demand for this unrivalled Preparation is beyond the possibility of a doubt, and its sale is becoming as large is that of any other article now before the public. Tens if thousands of persons who were sufference are possibility of a doubt, and its sale is becoming as large as that of any other article now before the public. Tons of thousands of persons who were sufferers are now seen daily walking the atreets of all the principal cities of the Union, and by their influence spreading the fame of "Dn. BROSSON"S BLOOD FLOOD" throughout the civiliz-ed world. But the trial of one bottle is more convinc-ing than all we could say ina whole newspaper column. It gives life, health, and beauty to the sick, and re-stores, as if by magic, these who were supposed to be irrecoverably lost. We need only say, try it. We would also call the attention of Mothers to Dr. EATON'S INFANTILE CORDIAL. This is said to be superior to any article of the kind now known. If your auxious hearts are pained by witnessing the sufferings of your little ones, lose no time in procuring a bottle. It is an invaluable specific for infants teething, softening their gums, and allaying all feter and irritation. By all means got the Cordial, relieve the sufferings of your whildren, and only unbraken your own repose. -Md-vertiser & Armer, Baidgeport, Ch. the Sues adv. For sale by Dr. GEO. ROSS, opposite the Court House, Lebinon, and T. W. DYOTT & SONS, Philadelphia.

Free Trade seems now to be in favor with Napoleon III. To all in need of a good and beautiful WIG, on reasonable terms, we would say from experience call on GEORGE THURGALAND, 29 South 6th st., Philadelphis, when you can be suited in a style and manner unsarpassed. Also procure a both of his celebrated HAIR DYE for beautifying the hair, &c. feb. 22, 1860.-1y.

In many sections of our country this preparation is extensively used by physicians in their practice, and it seems to have restored many to health who were appa-rently boyond the reach of the healing art. Your, Livingston, Co., N. Y., Oct. 1, 1859. Messra. S. W. Fowle & Co.,— Sirs :—Dropergray, with its numberless associates, took up its abode with me, in opposition to the skill of many of the most celebrated piysicians, until the spirit was willing (if no relief could be found) to surrender and willing (if no relief could be found) to surrender and bid adieu to its earthly tabernacle, when I was induced, by the urgency of a f. iend, to tay THE OXYGENATED DITTERS, little dreaming that the Gilead was in the boundless sea of patent medicines, as it was the first draught I was ever induced to quaff. But thanks be to God, it was a bain, and a most efficient and grateful one, too. The most aggravating symptoms in my caso were immoderate and irregular beating of the heart immediately after taking food, attended with great prostration, and very frequently violent attacks of pal-pitation, lasting from twelve to twenty-four hours, leav-ing the stomach so perfectly powerless that even a spoonful of milk or rice water would seem burdensome. I commenced by taking half a tesapoonful—the extent was a full one. I was very presevering until I had ta-ken three bottles; since then, at intervals, I have taken two more. I begañ to realize its genjal effects immediately; be-sides, it is extremely gratefat and refreshing as a ber-erage, which is a charm that but few medicines can boast of. I would, sirs, most stansmir, and cantesru beg all who are afficted with Dyspepsis in any form to test your Oxygonated Bitters, as I do esteem them in-valuable. Yery respectfully, Miss M. STOCKING.
