CARD, LLINGS, July 29th, 1880.

Messrs. John Wilcox & Co. — Your "Inspectine," or "Persian Fover Charm," has done wonders. I was wholly despondent and wretched when I applied it, and in five hours the chills were removed and no fever has ensued. It is the simplest cure imaginable, and a wonder of nature or art. I would not be without this "Inspectine" a single hour. By constantly wearing it I seem to be "ague proof." Yours Very Traly, E. M. STOUT.

Mostis, Alabama, July 23d, 1860.

Gentlemen:—I have been snatched from the grave by the application of your wonderful "Inspectine," or "Persian Fever Charm". For several years I have suffered every season from fever and ague. Last Spring my life was threatened, but your remedy has destroyed the disease, and I am rapidly gaining an appetite and strength.

Respectfully, Yours.

D. N. BARRON.

This truly wonderful presentive and cure for Fever and Ague and Billions Fevers will be sent by mail, post paid, on receipt of one dollar. Also for sale at all respectable Druggists and Country Stores.

give voice to his thoughts.

WHOLE NO. 593.

The swindlers then asked for more money, and silk and gold thread, which they said they wanted to finish the piece they had begin. But they put, as before, all that was given. en to them into their own pocket, and still continued to work with apparent diligence at the empty loom. Some time after the Emperor sent

another officer to see how the work clothes, for otherwise he would have was getting on, and if the piece of had to acknowledge himself either a brocade would soon be finished. But simpleton or an awkwar fellow. As he fared like the other; he stared at the loom from every side; but as es had met with such approval as the there was nothing there, of course suit made by the two weavers. he could only see the empty frame. "Does the stuff not please you as much as it did the minister?" asked the men, making the same gestures as before, and talking of splendid col

ors and of patterns which did not exhowever, no one dare even suspect such a thing." And so he began praising the stuff that he could not see, and told the two windlers how pleased he was to behold such beau. tiful colors and such charming pat-terns. Indeed, four such y, said he to the Emperor on his return,

"the stuff which the weavers are mak. ing is extraordinarily fine." The magnificent brocade that the

having new clothes, that he spent all | costly stuff while it was on the loom; his money merely for the sake of being very smartly dressed. He did not care much about his troops; he two trusty men who had so admired the son accompanied by a chosen train of there is some loop left for them to hang an advantage on; something did not care either about going to the work, off he went to the two that will redound to their particular the play or driving out, unless it cunning cheats. As soon as they were that he might show his new heard of the Emperor's approach, stitutions occurs high places in the clothes. He had a new suit for eve-ry hour in the day; and as one usu-gence, although as yet there was not moral world—for such are not those

"Is it not magnificent?" said the two officers of the crown. "Will your Majesty only look? What a charm-In the large town where he resided | ing pattern! what beautiful colors!"

held, or who was extremely silly and examined the empty looms min-"What capital clothes they must be!" thought the Emperor. "If I world say that he could not see what had but such a suit I could directly find out what people in my empire to discover something on the looms. had but such a suit I could directly find out what people in my empire were not equal to their office; and, besides, I should be able to distinguish the clever from the stupid. By Joye, I must have some of this stuff made directly for me!" And so he ordered large sums of money to be ordered large sums of money to descent l might set to work immediately.

The men erected two looms, and did as if they worked very diligently; but in reality they had got nothing on the loom. They boldly demanded the finest silk and gold the silk and gold they was as as satisfied as his courtiers, and the constitution.

The men erected two looms, and which was about to take place.—

"Excellent! charming!" was echoed in the support of the regular nominated Electoral Ticket, which, in its aggregate, represents the public sentiment of Pennsylvania, adverse the publi ets, and worked away at the empty Order, which they were to wear in invoke for that ticket a zealous and active sup-

their button-hole, and gave them the the State, may reverse the defeat at the State election, and, even if it does not, will save the ces, the permanent success of the marcenary erowd now forming the People's or Republican-party, will be secured, and the State, which is more substantially Democratic, than any one in the Union, be handed over for a series of years, to the control of those whose policy is alien to its true interests—the policy against which the Democratic party has so long and so resolutely

LINCOLN be elected, and his administration prove, as we fear it will, to be animated by the aggressive spirit of anti-slavery fanaticism, and threaten "Will your Imperial Majesty most ive voice to his thoughts.

The swindlers begged him most potely to have the goodness to approach nearer to the looms; and then, in if the colors were not of great did exactly as if each one helped him if the colors were not of great did exactly as if each one helped him if it should not insure victors, may ultimately as if each one helped him if it should not insure victors, may ultimately not the second and apposition, and threaten still more the well ascertained rights of any portion of the Union, the Democratic party of Pennsylvania will be the great constituent of the constitutional opposition, which must check and control the Executive. It is all important that the elements of such an opposition should develop the constitution of Northern Democratic sentiment, even if it should not insure victors, may ultimately him if the colors were not of great beauty. And the poor old minister looked, and looked, and could see nothing whatever; for, indeed, there was nothing at all there. "Bless me!" thought he to himself, "am I then, really a simpleton? Well, I never thought so, and nobody dare know it. I not fit for my office! No, nothing on earth shall make me say that I have not seen the stuff."

"Well, sir," said one of the swindlers, still working busily, "you don't say if the stuff pleases you or not."

be undressed, and the two helped him on with an article of dress, while his stration of Northern Democratic sentiment, even if it should not insure victory, may ultimately stration of Northern Democratic sentiment, even if it should not insure victory, may ultimately stration of Northern Democratic sentiment, even if it should not insure victory, may ultimately stration of Northern Democratic sentiment, even if it should not insure victory, may ultimately stration of Northern Democratic sentiment, even if it should not insure victory, may ultimately stration of Northern Democratic sentiment, even if it should not insure victory, may ultimately stration of Northern Democratic sentiment, even if it should not insure victory, may ultimately stration of Northern Democratic sentiment, even if it should not insure victory, may ultimately stration of Northern Democratic sentiment, even if it should not insure victory, may ultimately stration of Northern Democratic sentiment, even if it should not insure victory, may ultimately stration of Northern Democratic sentiment, even if it should not insure victory, may ultimately stration of Northern Democratic sentiment, even if it should not insure victory, may ultimately save the Union, by showing to the Sonth how may true friends they have in the North, and especially in those Middle States, which are the true to union, by showing to the Sonth how fact the Union, by showing to the Sonth how fire the Union, by stration of Northern Democratic should not insure victory, may ultimately save

THE MEETING. Briven was the tale I dreaded, Grist of heart for evermore, When from years of weary travel Landing on my native shore, I sought out the ancient village And t. a well-remembered door.

Long it was since any bidings
Resched me wandering o'et the wave.
And my soul for certain knowledge,
Though it held it curse, did crave—
Though the melkincholy answer

I had left three little children
In the years of long ago—
But past joy is present soriow;
Painfull the seasons flow—
Who am I to be delivered.
From the broken hopes below!

I had left an angel woman
Guardian of the tender three—
Is she dead or is she living!
Is her spirit true to me!
Well I know that many winters
Cannot change her constancy.

And I sought the well-loved cottage Skirted by the poplar tall; Waited by the garden-wicket, Listening to it e waterfall; And I caught the pleasant odour Of the jamine on the wall.

Many years ago there lived an Em-

standing, and no one can be found more fitted for this than he."

So the worthy old minister went to the room where the two swindlers were working away with all their might and main. "Lord help me!" thought the old man, opening his the coat, and here the manue.—

But there is a higher and stronger motive to action. Every Democratic vote cast in November—every vote, indeed, against the Republican toket—is a vote for the Constitution, the Union, and for the rights and property and safely of our Southern brethren, and swells the great conservative body, which, whether it be at the time a majority or minority, now stands as the coat, and here the manue.—

But there is a higher and stronger motive to action. Every Democratic vote cast in November—every vote, indeed, against the Republican toket—is a vote for the Constitution, the Union, and for the rights and property and safely of our Southern brethren, and swells the great conservative body, which, whether it be at the time a majority or minority, now stands as the coat, and his administration prove, eyes as wide as possible; "why, I although not a single one of them can't see the least thing whatever on | could see anything of the clothes.

which were in the stuff. The bid also the description of unfitness for their post.

If you want good the were call at least and the state of the sta they said, in order that he migue on under the high canopy, turouse

dlers, still working busily, "you don't say if the stuff pleases you or not."

"Oh, beautiful, beautiful! the work is admirable?" said the old minister, looking at the beam through his spectacles. "This pattern, and these colors!—well, well; I shall not fail to tell the Emperor that both are most beautiful."

"Well, we shall be delighted if you do not mand the second as an enemy to his asked he, turning round once more before the looking-glass, in order that it might appear that he examined the dress very minutely.

The pages who were to carry the book, expresses his despair of the Republic beautiful."

"Well, we shall be delighted if you do not do so," said the swindlers; and named the different colors and patterns which were in the stuff. The old minister listened attentively to what
