"This is the third Volume, and the completion of a series of works by the same author, on the history q the listalitish monarchy. The origin under Moses, was treated of in the "Pilles of Fire," and its great glory, under David is treated of in this work, (The Throna e David.) while the decline of Hebrew power and the opening of the new dispensation meet their delineation in the "Prince of the House of David." These works are historically valuable, as handbooks of information relative to the scenery, Beography and manners of the Holy Land. The style is interesting and powerful and the work leads us to the jontemplation and study of the sublime language of the Bible and the great doctrines of trith it contains, without plains, as such books too ordinarily are, either misuallin, stupid, dogmatic or conceited."—Boston Datly Atles.
