-A VERY IMPROBABLE STORY.-It is said that the Emperor of the French has at last given his sanction to the project invented by M. Favre, a Parisian engineer, for making a railway from Calais to Dover. This gigantic project comprises a brick built tunnel under the Channel, from France to England, and the length of the work will be nineteen English miles.

-THE BRIEFEST AND MOST AWFUL STORY we have received this Fall comes from

had slept on the night in question .---- infant, and it was instantly scalded to death.

had unnoticed by the mother, placed an infant, and it was instantly scalded to death. In her frenzy the mother seized a chair and inflicted a death blow upon the little girl. After realizing what she had done she threw herself into the well and was drowned. —Dare Nor Rejorce.—For the first time since the formation of this govern-ment has a political party triumphed in the election of a President, under such circum-stances that they dare not rejoice over it. One month has elapsed since the election of Lincoln as President, and not a single demonstration, of any magnitude, has been made by the victorious party. What a humiliating spectacle ! —KIDNAPPERS SENTENCED.—The trial of Francis Wilson and Gilmore Hull, for kidnapping a colered man namcd John Bröwn, taking him to Baltimore, and offer-ing him for sale strift mention and read offer-ing him for sale strift model and cillor a strict for whice, sale strict for whice, sale of scomps last year and we bog in less than two years he may be equally the understand the Wolker's provide and the poisonus suff from the lead the following from the New York Courier: Bate of the following from the New York Courier: We are happy to inform our fellow-citizen to visit UDDLFHO Wolker's extensive warehouse, Nos. 18, 20 and 22, Bea-tries that they dare not rejoice over it.
