The main use of India rubber overshoes is to keep out water, and for that they are second only to a stout, water-proof, first-rate calf-skin boot. There is not a more villainously unwholesome article of wear made than the hightopped rubber boot. It makes the foot tender, especialty in shildren, gives an ugly gait, and when left off in any weather, the wearer is liable to "enteh cold." Our corps of contributors for the coming year will be so large, and will embrace such a variety of emineti-talent, that every department of literatures will receive the particular attention of some one competent to de if ample and special justice. Whether it be 'popular ro-mance scientific, essay, historical sketch, scholastic di-quisition, spicy paragraph, pathetic ballad, humorous poem, old-fashioned love story, timely editorial, or any other ingredient of popular and elevated journalism, that is to be furnished, the LBDGER corps will be suffi-cient for the task. In fact, our contributors will send us from week to week much more matter than we can possibly use, so that we shall always have a fresh and pauperbundant supply, from which to select THE VERY B-ST. These facts, taken in connection with our large-ly increased means, facilities, and experience, warrant us, we think, is promising our readers a family paper for the year 1861 which will be more interesting and instructive, and in every respect more valuable, even than the LEDGER has been in the past. As an indication of the popularity of the LEDGER, we need only state the simple fact that its circulation is larger than that of any other TEN literary papers in the country. Its great success is owing to the fact that we secure the best writers in the country, and spare no expense in getting up the assr partic parse a pa-per of high moral tone. The exalted reputation of its contributors, the practical and invariably pure and healty character of all its articles, the sine and sketch-

contributors, the practical and invariably pure and healthy character of all its articles, the care which is taken that not even one offensive word shall appear in its columns, and the superiority of its Tales and Sketches, have gained for the NEW-YORK LEDGER a position that no literary paper has over before reached.

—In the next number of the LEDGER, we shall publish a very interesting article, written expressly for our columns, entitled, A DAY WIR LORD BYNON, from the pen of the Hon. George Bancroft.
—It is with much satisfaction that we annonnes that Mr. Everstrr will continue his elegant and interesting contributions to the LEDGER during the next year. ters for the last year amounted to over a halfmillion bottles, and from its manifest stead increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the prepara-tion, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom.

This is not a temporary popularity, obtained HALL BUILDING, MARKET ST. by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself.

Hostelter's Stomach Bitters have proved a Godseud to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all worbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge f the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the boweis, excellent as a tonie, and rejuvenating generally. We have the evi-dence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach de-rangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recupe rate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers gene-rally prefer the Bitters to all other invigora-tors that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of bodily strength.

All those persons, to whom we have particat-larly reforred above, to wit: sufferers from fever and ague, caused by malaria, diarrhœa, dysentery, indigestion, loss of appetite, and all disenses or derangements of the stomach, superannuated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hos-tetter's Celebrated Stomach Bitters a trial.

CAUTION .- We caution the public against using any of the many imitations or counter-feits, but ask for HOSTETTER'S CELEBRATED STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork. and observe that our autograph signature is on the label.
