## A SIX-FINGERED FAMILY.

A-Belgian family from time immemorial has presented instances of six-fingered children at each generation; and singularly enough, while the boys have but five fingers, as most people, severy girl born in the family presents that strange phenomenon of six fingers on each hand and six toes on each hand and six toes on each foot. In all cases the supplementary finger or toe is a twin of the liftle one, of a perfect shape, and acts quite independently of the others.

The hands and feet are very elegantly shaped, and no one would notice at first sight that strange peculiarity. The young lady examined by Dr. Broca, far from being ashamed of her fingers, displays them with no little degree of pride, for they are delicate, tender, tapering, rosy, and definition of the content of the A.Belgian family from time immetle degree of pride, for they are delicate, tender, tapering, rosy, and decidedly pretty. She has gloves made expressly for her, and as she is an excellent musician, she has invented a fingering of her own, by which she fingering of her own, by which she specified which other specified which other specified and Summer Fashions,

Funny.-A Providence journal asks the question:

"If all the States except Rhode Island secede from the Union, is she 'to pay the public debt?"

Go to bed, little 'un, and don't be asking impertinent questions. You know very well you could not pay the debt if called upon. Perhaps you think the foreign creditors will sue. What then? How will the sheriff be able to find you, hidden as you are between the spindle and nutmeg States?

Old Deacon Sharp never told a lie, but he used to relate this :- He was standing one day beside a frogpond-we have his word for it-and saw a large garter snake make an attempt upon an enormously big bull frog. The snake seized one of the frog's hind legs, and the frog, to be on par with his snakeship, caught him by the tail, and both commenced swallowing one another, and continued this carniverous operation until nothing was left of either of them.

JUDSON'S Mountain Herb Pills.

BOVE, we present you with a perfect likeness of Tezugo, a chief of a tribe of the strange Aztec Nan, that once ruled Mexico. You will find a full account of him and his people in our Pamphlets and Alamacs—to be had gratis, from the Agents for these ills.

count of his and his people in our Pamphlets and Almanacs—to be had gratis, from the Agents for these Fills.

The inventor and manufacturer of "Judson's Moantain Herb Pills," has spant the greater part of his life in traveling, having visited nearly every country in the world. He spent over six years among the Indians of the Rocky Mountains and of Mexico, and it was thus that the "Mountains and of Mexico, and it was thus that the "Mountains and of Mexico, and it was thus that the "Mountains and of Mexico, and it was thus that the "Mountains and of Mexico, and it was thus that the "Mountain Hear Pills" were discovered. A very interesting account of his adventures there, you will find in our Almanac and Pamphlet.

It is an established fact, that all diseases arise from IMPURE BLOOD!

The blood is the life! and when any foreign or no healthy matter gets mixed with it, it is all at once distributed to every organ of the body. Every nervefoels the poison, find all the vital organs quickly complain—The stomach will not digest the food perfectly. The liver ceases to secrete a suffigiency of hile. The action of the heart is weakened, and so the circulation is feeter; hence; a cough—and all from a slight impurity at the fountain-head of life—the Blood! As if you had thrown some earth, for instance, in a pure spring, from which ran a tiny rivulet, in a few minutes the whole course of the streams becomes disturbed and discolored. As quickly does impure blood fly to every part, and leave its sting behind. All the passages become obstructed, and unless the obstruction is removed, the lamp of life soon dies out.

These pills not only purify the blood, but regenerate all the secretions of the body; they are, therefore, unrivalled as a

rivalled as a CURE FOR BILIOUS DISEASES, CURE FOR BILIOUS DISEASES,
Liver Complaint, Sick Headache, &c. This Anti-Bilious
Hedicine expels from the blood the hidden seeds of disease, and renders all the fluids and secretions pure and
fluent, clearing and resuscitating the vital organs.

Pleasant indeed, is it to us, that we are able to place
within your reache medicino dike the "MOUNTAIN HERB
PLLLS," that will pass directly to the afflicted parts,
through the blood and fluids of the body, and cause the
