court of him and his people in our l'amphiets and Almanacs—to be had gratis, from the Agents for these Pills.

The inventor and manufacturer of "Judson's Moantain Herb Pills," has spant the greater part of his life in travelling, having visited nearly every country in the world. He spent over six years among the Indians of the Rocky Manutains and of Mexica, and it was thus that the "Mourrain Head Pills," were discovered. A very interesting account of his adventures there, you will find in our Almanac and Pamphiet.

It is an established fact, that all diseases arise from IMPURE BLOOD!

The blood is the life! and when any foreign or an healthy matter gets mixed with it, it is all at once distributed to every organ of the body. Every nerve faels the poison, and all the vital organs quickly complain. The stomach will not digest the food perfectly. The liver ceases to secrete a sufficiency of bile. The action of the heart is weakened, and so the circulation is feeble. The lange become clogged with the poisonous matter; hence, a cough—and all from a slight impurity at the fountain-head of life—the Blood! As if you had thrown some earth, for instance, in a pure spring, from which ran a tiny rivulet, in a few minutes the whole course of the stream become disturbed and discolored. As quickly does impure blood by to every part, and leave its sting behind. All the passages become obstructed, and unless the obstruction is removed, the lamp of life son dies out.

These pills not only purify the blood, but regenerate all the secretions of the body; they are, therefore, unrivalled as a CURE FOR BILIOUS DISEASES.

GURE FOR BILIOUS DISEASES,
Liver Complaint, Sick Hendache, Ac. This Anti-Bilious
Medicine exuels from the blood the hidden seeds of disenso, and renders all the fluids and secretions pure and

Pleasant indeed, is it to us, that we are able to place
within your reach, a medicine like the "Monnyain Henn
Pills," that will pass directly to the afflicted parts,
through the blood and fluids of the b dy, and cause the
sufferer to brighten with the flush of heauty and health,
Judson's Pills are the Best Remedy in existence for the

The Plants and Herbs of which these Pills are made, were discovered in a very surprising way among the Teaucane, a tribe of Aborigines in Muxico.
