count of him and his people in our Pamphlets and Al-manacs-to be had gratis, from the Agents for these Pills. The inventor and manufacturer of "Judson's Moun-tian Herb Pills," has spont the greater part of his life in traveling, having visited nearly every country in the world. He spent over six years among the Indians of the Rocky Mountains and of Moxico, and it was thus that the "Mourtains rand of Moxico, and it was thus that the "Mourtain term Pints" were discovered. A very interesting account of his advontures there, you will find in our Almanac and Pamphlet. It is an established fact, that all diseases arise from IMPURE BLOOD! The blood is the life! and when any foreign or un healthy matter gets mixed with it, it is all at once dis-tributed to every organ of the bedy. Every nerve feels the poisen, and all the vital organs quickly complain.-The stomach will not digest the food perfectly. The liver creases to secret a sufficiency of bif. The action of the heart is weakened, and so the circulation is fee-ble. The lungs become clogged with the poisonous mat-ter, heuce, a cough-and all from a slight inpurity at the tourian-head of life--the Blood! As If you had throw no some earth, for instruct. And my should be every part, and leave its sting behind. All the passages become ob-structed, and unless the obstruction is removed, the lamp of life so in dies out. These pills not only purify the blood, but regenerate and the secretions of the body; they are, therefore, un-rivalled as a CURE FOR BILIOUS DISEASES, QUEENSWARE, &c., to which they respectfully invite the attention of the suble.
