the Mount Ulare Bianon, Bannance and One
Railread, where they all embarked (with the exception of Company I, U. S. Artillery, whomarched to Fort Mellenry,) in fifteen cars for Wash.

ington.

During the entire route of the military they were followed by a crowd of men and boys whooping yelling and hurrahing for Davis and South Carolina. No violence however was attempted, with the exception of an occasional missile being thrown into the crowd one of which struck a negro boy who accompanied the troops to carry the drum. His face was cut and bled profusely. At the Mt. Clere station several missiles were thrown into the cars after the

BOMBARDMENT OF FORT SUM-TER-STATEMENT OF

CAPT. DOUBLEDAY. The following is a digest of Capt. Doubleday's statement of the bombardment of Fort Sumpter:

The demand to surrender Fort And the star-spangled banner! in triumph shall and refused, not only by Major Anandrefused, not only by Major Anandrefused. o'er the land of the free, and the home of the derson, but by the unanimous voice of his command.

On Friday morning, at three o'. clock, the rebels sent word that their fire would be opened in an hour, and at four o'clock fire was opened on us Praise the power that hath made and preserved from every direction, including a hidden battery. There was scarcely a room in Fort

Sumpter left inhabitable. Several shots went through the Floating Battery, though it was but little damaged. Two guns on the Iron Battery

RECEPTION OF FEDERAL TROOPS AT | The Harper's Ferry Garrison at Carliste-Enthusiastic Reception-Burn-

ing of Fifteen Thousand Stand of Arms. CARLISLE, April 19 - Lieut. Jones, Baltimore, of the troops which left late in command of Harper's Ferry Harrisburg on Thursday morning for arrived here at three o'clock this af Washington, we take from the Balti- ternoon, with his command, consisting of forty-three men. Lieut. Jones having been advised that a force of twenty five hundred troops had been ordered by Governor Letcher to take day, by the Northern Central Railroad, a large crowd of people collected at the Bolton Depotmany attracted thither by the absurd reports that their passage through the city would be obstructed. One half of the whole police force of the city were also in the neighborhood of the depot, drawn up in a line on one of the platforms. At two o'clock the long train steamed into the depot, stopped, and again moved off to the intersection of floward street with the arack, where mand under cover of the night, and almost in the presence of twenty five hundred troops. He lost three men. Fifteen thousand stand of arms were lestroyed.

They made a forced march of thir ty miles last night, from Harper's Ferry to Hagerstown, Md. Lieut. Jones and his command have

endured great tatigue, and accomplished a great work, in preventing the arms and property from falling into the hands of the rebels.

They were enthusiastically receiv.

ed by the entire population. He says that as the Federal troops ushed across the Potomac bridge, the whose broad stripes and bright stars thro' the perilous fight,

And the runket's red glare, the homes bursting

And the runket's red glare, the homes bursting number must have perished, as re-They marched along the track to Cathedral pouted explosions were heard. He saw the light of the burning buildings for many miles.

The following additional particulars of the burning of the Harper's Ferry Armory, are furnished by Licut Jones, now at Carlisle Barracks.

Lieut. Jones says that he learned vesterday, that six hundrerd Virginians were approaching by the Winchester road to seize the Arsenal .the ster road to seize the Arsenal.—
He immediately placed piles of powder and straw in all the buildings, and waited patiently the approach of the enemy. The picket guard having given the alarm, the garrison set and waited patiently the approach of troops and occupied them but they done no damage. After they started for Washington the large crowd dispersed, and wended their way to the intermediate the alarm the graviton see ing given the alarm, the garrison set several collectors, and who, together with Wm. Shirk and D. M. Karmany, shall constitute a Shops, the fuses beginning to burn shops, the fuses beginning to burn authority to make all appropriations therefrom when he commenced his retreat.

The citizens of Harper's Ferry were evidently in league with the party advancing to seize the Arsenal, and were instantly in arms and followed the soldiers. Two of the Regulars were killed by their fire, and Sumpter was made on the 11th inst., two others described before the troops reached Hagerstown. They marched all night, and, missing the train at Volunteer Company, ready and willing to obey Hagerstown, took omnibusees to the calls and criders of the Governor of Pennsyl-Chambersburg to-day, much exhausted by their night march. They were entertained by the people of Chambersburg, and received with loud bersburg, and received with loud bersburg, and received with loud cheers along the route.

have taken possession of the town of Harper's Ferry. They stop trains and examine them. Two schooners laden with timber were seized at Brashear City by the rebels.

## GREAT MEETING IN LEBANON! IMMENSE ENTHUSIASM!

Agreeably to a call the people of Lebanon and vicinity met together in immense numbers, and effectively against the Iron Battery.

The Barracks caught fire several times on Friday, but the flames were extinguished through the efforts of Mr. Hert of New York and Mr. Hert of New York a

During all the while the ficet was off Charleston a heavy gale was blowing.

On the daythat Major Anderson evacuated, preparations to reinforce him had been made for an attempt on that night.

A schooner was seized, and an agreement made to pay the pilot and captain five hundred dollars to put the men in the fort. But the fort was evacuated before an attempt could be made.

Captain Fox had instructions to attempt to provision the fort without troops, and if he was fired on he was to rush in in the best manner he could, but the gale prevented the arminal of the transports.

During all the while the ficet was off Charleston a heavy gale was blow-ing in the was fired on he was to rush in in the best manner he could, but the gale prevented the arminal of the transports.

During all the while the ficet was off Charleston a heavy gale was blow-ing in the was fired on he was to rush in in the best manner he could, but the gale prevented the arminal of the major further selection.

During all the while the ficet was blow-ing ing incentives there are in our country's history, that urge ns powerfully to the discharge the five defending the Government. Looking back or, that urge ns powerfully to the discharge in end with grilling incentives there are in our country's history, that urge ns powerfully to the discharge the defending the Government. Looking back or, that urge ns powerfully to the defending the Government. Looking back or, that urge ns powerfully to the discharge of blood and trossure, that were discharge or the nestines of blood and trossure, that were of the definition, that they on the rich selection to the rich legary on the not fall on the rich element. Looking back or, the serifices of blood and trossure, that were of the decident power heroic fathers in many hardly ontested battles, weary marches and harassing councile, we should be unworthy of the rich legary they have left us, if we did not, now, then they on the rich legary on the rich legary on the rich legary they back or, it we should be unworthy Cost.

Ilaw many trilling incentives there are in our count of the discharge.

Mr. Karmany then moved to complete the or-ganization by the following further selection: gunization by the following further selection:
President—CHAS. B. FORNEY.
Vice—Presidents—John Light, (s. s.) Capt. Samuel.
Harbeson, John Krause, Jacon Lauerr, John W. Glonner, John George, Juseph R. Inner, John Sowers, Jacob Tromas, Grong Aleinoehl,
Fr. Derick Sealfoss, Chuistian Ranler.
Secretaries—Wh. M. Breslin, T. T. Worth.

Rev. Dr. Harbaugh was then called upon to open the proceedings with prayer, and addressed the Throne of Grace with much feeling. Dr. C. D. Globinger moved that a Committee of thirteen be appointed to report resolutions for the consideration of the meeting. The metion was adopted, and the President appointed this

Committee:
Dr. Cyrus D. Gloninger, Philip Arantz, Samuel Light,
Judge Rank, John Ulrich, John F. Meily, Philip Fisher,
Philip Killinger, Joseph Gleim, John P. Umberger,
Adolphus Reinoehl, George L. Atkins, Hugh Maxwell.

The Committee on Resolutions having returned, the Speaker gave way. The Cheirman of the Committee, Dr. C. D. Gloringer, then read the following resolutions, which were adopted by accommittee. Adopted by acclamation:
WHEREAS, 2 cand of conspirators, misleading the County Commissioners and require them to the citizens of whole States, buye at length levied war against the government of the United States, seized its property, struck down in flag and declared their intention to destroy the integrity, if not the existence of our free institutions; and our Flag.

prosperous and happy country—A government to which we look for protection in establishing justice, insuring domestic tranquility, providing for the common defence, promoting the general welfare, and securing the blessing of Liberty to ourselves and our posterity, we do

Resolve: That forgetting all past political difference of the Lebanon Mutual Insurance Conference of the Lebanon Mutual Insurance Conference

ferences, and disclaiming all designate make cap-ital for any political party, we pledge ourselves to stand together shoulder to shoulder in meeting te issue that has been forced upon the Federal the issection has seen forced upon the Federal Administration by actual war begun in the harbor of Charleston, and resulting in the destruction of a fortress and the capture of the garrison. And it becomes the imperative duty of the Gov. ernment to meet the momentous crisis with stern resolve, and to repel force by force promptly, and, if necessary, to the extent of all the resources within its control. It is such action alone which will enable it to retain the respect of mankind at home or abroad. That nationality for the establishment of which our heroic ancestors were willing to shed their blood freely, is worthy of being nnintained and cemented, if needs bo, by the blood of their children.

Resolved, That we recognize no political associations inconsistent with our obedience to the laws as administered by a Constitutionally elected President, no matter to what party he may be-long. Nor do we recognize any distinction be-tween the traitors at the South, with arms in their hands arrayed against the Government, and the traitors at the North who give them aid and comfort. Resolved, That this is a time for acts rather

than words. The argument has been exhausted. The only question is whether we shall continue to have a country; or, whether the glorious na-tionality, which was our proud inheritance, shall go down to our posterity in weak and discordan fragments—a lasting menorial of the degeneracy Resolved, That we, the citizens of the borough of Lebanon, in town meeting assembled, without

distinction of party, do solemnly pledge ourselves to stand by the national flag, for the Union, the Constitution, and the enforcement of the laws everywhere, South as well as North, West as well Resolved, That we will furnish our full ratable proportion of the volunteers who may be called into the field by the Administration; and that

and protect the families of those who go hence in the service of their country.

Resolved, That as we feel well assured that the citizens of the entire county of Lebanou sympathize in the movement here inaugurated, and as prompt addion's required in the premises, we recommend that there he suitable persons appoint. commend that there be suitable persons appointed by the Chairman of this meeting, for each ward and township in the county, to make collections in their respective wards or townships toin such proportions and with such discrimina-tions as they may deem advisable, and exercise a general control over the same; and at the ex-

a general control over the same; and at the ex-piration of their term of service shall make a re-port in the newspapers of the county. A. S. Ely, Esq., offered the following addi-tional resolution, which was unanimously adopted: Resolved, that the Treasurer of the Military Fund, and his Assistants, are hereby instructed not to expend any money out of said Fond until at least fifty persons able to perform military du-ty have enrolled and formed themselves into a bersburg, and received with loud cheers along the route.

Fifteen hundred Virginia troops nove taken possession of the town of Larper's Ferry. They stop trains and examine them. Two schooners aden with timber were seized at Brashear City by the rebels.

On motion it was resolved that a Committee be appointed to call on the Governor and tender the services of the Volunteer Companies of Lebanon. The Chairman appointed Messrs. T. T. Worth, Wm. M. Broslin, and D. M. Karmany. Mr. Killinger was called upon, and spoke to the meeting with his usual effect, dwelling upon the serious troubles that are upon ús, and pledging himself to take his share of the responsibility and the danger. At the conclusion of his remarks, it was moved that an opportunity be offered to gentlamen to hand in their names, with the amount they are at present willing to give the amount they are at present willing to give to organize a company, and support the families of those who are willing to volunteer for the

Wm.M. DERR, TTORNEY AT LAW, has removed his office to Cumberland street, in the room formerly occupied by Jenstein & Bros'. as a jowelry store, opposite Charles Senswalt's Hardware Store.

# PARKEI SEWING MACHINES.

VERNON & CO.,

Manufactured for the Grover & Baker S. M. Co. by the

# PARKER SEWING MACHINE CO.,

AND MAKING GROVER & BAKER'S CELEBRATED

STITCH. Family Sewing Machines.

A NEW STYLE--PRICE \$40.

H. H. ROEDEL, LERANON, PA. OFFERS FOR SALE A NEW STYLE MACHINE.

They will HEM, Fell, Stircii, Run and Bind in the most superior manner and are the only machines in the market that are so well and simply made that they may be sent into families with no other instructions than the market that are so well and simply made that they may be sent into families with no other instructions than are contained in a circular which accompanies each machine, and from which a child of function years may readily learn how to use and keep them in order. They sew rapidly, and will do the sewing of a family cheaper and it less time than ten seamstresses.

Hand sowing is fast becoming among the things of the past—and what family will be without a Sewing Machine, when our now machines will sew better, more expeditiously, and cheaper than can possibly be done by hand thing when our now machines will see wheter, more expeditiously, and cheaper than can possibly be done by hand thing when our now machines will see wheter more expeditiously, and cheaper than can possibly be done by hand thing when our now machines will see wheter more expeditiously, and cheaper than can possibly be done by hand thing when our now machines will see wheter more expeditiously, and cheaper than can possibly be done by hand thing when our now machines will see wheter more expeditionally.

OTHER MACHINES.

139 H. H. Redol calls the attention of Farmers to this Machine, as he is confident it is the very article for their July 4, 1860.-1y.

Lebanon, April 4, 1869.

"Lebanon Valley Institute," Annville, Lebanon county, Penn'a.

THIS INSTITUTION, interrupted in its progress by the death of its late proprietor, Prof. Balsbaugh, has been re-organized, it is hoped permanently, under the Superintendence of W. J. BURNSIDE, A. M. THE ENSUING QUARTER will commence on Mon-

day, April 8th. The Full Session will open on Monday,

THE DESIGN of the School is to meet, as far as may be, the requirements of a progressive ago. The course of study being so arranged and extended that pupils of any age or degree of advancement may be entered to any age or degree of advancement may be entered to nearly equal advantage, and embracing in its different departments of those. Branches of Education most useful or desirable in the different spheres of life.—
THE ENGLISH DEPARTMENT designed mainly to impart a thorough, practical education, which may be turned to account in the transaction of business.—
THE CLASSICAL DEPARTMENT of signed mainly to impart a thorough, practical education, which may be turned to account in the transaction of business.—
THE CLASSICAL DEPARTMENT of the study of the Classics, ancient and modern, with a view to cultivate the taste—to refine and elevate the mind, or as a basis to the study of what are called the learned professions. A NORMAL OR TRACQUEST DEPARTMENT, in which an experience of more than twelve years, in schools of various grades and in different sections of the Union, will be drawn upon in familiar lectures, illustration and example, to impart a knowledge of the ART of TRACGUEST.

THE DISCIPLINE is gentle but firm. No unnecessary restraints are instituted for the sake of mere effect,—but such as are deemed conducive to the moral or mental welfare of the student will be rigidly enforced. Students from aborad can board, (unless otherwisedesired) in the family of the principal. And over those a parental control will be exercised during their stay. They will not be allowed to be absent from the Institute all unscassonable hours; to visit taverns or places of amusem at without permission; or to be absent from their places in school on any pretext except siekness or parmits of parent or guardian.

THE LOCATION is pleasant, healthful and secluded, in a flourishing little village—surrounded by a picturesque and highly cultivated district. It is twenty miles as ward of Harrisburg, and within view of the Lobanon Valley Ruilroad, which connects Harrisburg and combined at hig be, the requirements of a progressive age. The course of study being so arranged and extended that pupils of

WOOD and COAL YARD. THE undersigned, having bought Mr.

1, Henry Spoor's Wood and Coal Yard, a short distance north-east of Messrs. Foster a Mutch's Foundry, in the borough of North Lebanon; and also bought from 200 to 300 CORDS OF WOOD and from 600 to 1000 TONS OF COAL, of all kinds and grades, which I will sell at the yard or deliver at as small profits as will suit the times. I therefore invite all those that are in want of any of those articles to call and see the same, ascertain prices, and judge for themselves.
