No labor is too much for them, in their kind and patriotic efforts to provide for the soldiers passing through here. The better side of human nature - has presented itself more clearly during the past two weeks than ever before. We trust we shall hear no more hereafter that man' is naturally hardhearted and depraved. We need only the occaision and the reverse will stand forth in bold relief. CAMP AT ANNAPOLIS, April 24 1861.

JNO. W. ULRICH, ESQ., Dear Sir:—liaving arrived at this place yesterday, from Havre De Grace, and you as Chairman of Committee at home, I thought proper to give you curcondition.

ESCAPE OF PENNSYLVANIA VOLUME BALTIMORE MON.—Mr. John home, I thought proper to give you curcondition. THE BALTIMORE Mon.—Mr. John Patterson, of Our army service since we left home was entirely Schuylkill Haven, and a member of the Fifth too much pressed, as no doubt you are aware off, up to our leaving Philadelphia, where we meet John W. Killinger. Our course was very exciting from the start. At Philadelphia, on arrival at the Baltimore Depot, the first order was to load our Muskets all ready for a fight, which we load our Muskets all ready for a ngat, which we expected to get long before we got here. In fact from the course pursued at Harrisburg we expected it soon. However none as yet. Exposure has worn down the men considerable, but they are all recovering since here, with the exception John H. Heisy and William Shott whom we had to leave at Philadelphia. Milton McNare we left at Harve De Grace in the Hospital. No doubt when they have properly recovered they will be either sent after us or else returned home. If the latter should be the case you may be un-der the necessity of getting us three recruits,— but good men. We do not want to recruit until but good men. We do not want to recruit until we hear that our men are at home, nor do we want to take anybody, especially not such as we know nothing of.
We are still without uniforms. The only thing

we received to defend ourselves or fight are good heavy army muskets with ammunition, but have no earthly way to earry it but in our pockets, which is wrong, both as regards the authorities having charge over us, and as regards ourselves as a proper means of defence. If we get no uniforms we should, by all means, have knapsacks and cartridge boxes, but that we do not positively get to know until we arrive at Washington .-From what I understand the officers are to find their own uniforms. I should therefore say that I do think it enfe to send our uniforms to the War Department at Washington, as we are very much want of them. Regiment after regiment of soldiers are arriv-

Regiment after regiment of soldiers are arriving since we are here, and are being shipped to Washington as fast as possible. The Rhode Island Regiment with the Governor at their head arrived yesterday. They are a good looking set of men. This town is in the hands of the enemy. We cannot get anything of consequence from it, and what we do get they charge us enormous prices. We get no newshere of any account; we get no newshere of any account; we get no newshere of any account; we get no papers; no news boys in Camp. We be-leng to the 5th Regiment, Penpsylvania Volun-

If we have no other way we must get our swords
and sashes at Washington.

Please tell my wife that I am well and that we

all expect to be at home at the expiration of our three months, for from the number of saldiers arriving here we think secession has run its course. As the saying is, our boys are spoiling for a fight. Answer this letter at your earliest conveniunce.

In pursuance to a call the people of Lebanon county assembled in County Meeting, in the Court House, Lebanon, on Saturday afternoon the 27th inst., for the purpose of "giving expression to the sentiments of the County relative to making an appropriation by the County to aid in support of the volunteers." On motion of Hon. Levi Kline, the meeting called to the Chair, Hon. WM. RANK, of Swatara. The organization was fully completed, on motion of Hon. John W. During the absence of the committee the meeting was addressed by Mr. Kline, in explanation

of the object of the meeting. The committee reported the following preamble and resolutions, which were adopted by accla-

A formidable rebellion having developed itself in portions of our country, whose purpose is the overthrow of the Federal Government and the disruption of the Federal Government of the Problem and the traitors, to assert the tenspiesty of the outlarged Laws, and to vindicate the Flag of the country, and pledging their means and their strength to the analysis of the Problem. And will sustain the Federal Government of the Problem. And will sustain the Federal Government in its patriotic efforts to sustain itself, and thus approach the Problem. And will sustain the Federal Government of our country; and with one heart we declare that in this dangerous emergency when treason has been consummated in civil war, and rebels are in arms my with further hostile designs, it becomes the duty of all good clizens to unite in strangthening the hands of the United States who interposes oppositio to the favoremment, and that every person owing allegiance to the United States who interposes oppositio to the favoremment, and that every person owing allegiance to the United States who interposes oppositio to the favoremment, and that every person owing allegiance to the United States who interposes oppositio to the favorement, and that every person owing allegiance to the United States who interposes oppositio to the favorement, and that every person owing allegiance to the United States who interposes oppositio to the favorement, and that every person owing allegiance to the United States who interposes oppositio to the favorement, and that every person owing allegiance to the United States who interposes oppositio to the favorement, and that every person owing allegiance to the United States who interposes oppositio to t AND THE RESIDENCE OF THE PROPERTY AND ADDRESS OF THE PROPERTY OF THE PROPERTY

That the Committees appointed at the Town Meeting on the 26th inst., be earnestly requested to proceed at once to the collection of monies and provisions as recommended in the resolution under which they were appointed, and to hand over the same to the Committee designated for the purpose.

That the County Commissioners be requested to make an appropriation of TE. THOUSAND DOLLARS, if so much be needed, and to be drawn in such sums as may be deemed advisable, for the purpose of making suitable provisions for the volunteers, maintaining the families of the volunteers who have already entered, or who may here ofter enter, upon active service, during their necessary absence, to be distributed under the direction of the Committee abendy designated, in connection with responsible gentlemen from those parts of the receipts and expenditures to be pholished in the newspapers, and our Members of the Legislature are requested to procure the passage of a Law to render valid and legal said appropriations.

That the officers of this meeting be a committee to present these proceedings to the Commissioners of the County, and request their immediate compliance with the 8th Resolution.

The first named sum was agreed upon by consent, when the resolutions were adopted by acclamation as stated above. On motion adjourned.

Mr. Nebo for the Union.-A starspangled Banner was unfurled to the breeze at Mt. Nebo, this county, on Saturday evening, April 20th, 1861, amidst shouts and cheers for loud appliance. PLUCK OF A LEBANON "BOY."—We copy the following from one of the Philadelphia papers of last week. "Hersey" is John H. Hoisey, of the Lebanon Guards. He has since been in Philadelphia and Lebanon, and, we believe, has gone on again to join his company. Heisey escaped by paidling across the Susquehanna on a plank. While the company was defained in Philadelphia he had been taken into a house in the neighborhood of the Depot to get something to eat. In the mean time Mr. Killinger had taken the company to the Continental Hotel for the same purpose. Upon Heisey's return he supposed that the company had gone on, and immediately followed on a freight train to overtake, it. In hat way he got to the neighborhood of Havre de Grace, where the fight took place. They fired about 16 shots and at least two of their assailants were wounded. The day named below (Friday)

He stares that, being left by his company, he started with Mr. Geo. Smuller, also of Schuylkill Haven, and Mr. John H. Hersey, of Lebanon, Pa., with the purpose of overtaking it. They reached Havre de Grace, but a short distance below that town were met by a party of men who, in political parlance, demanded to know "What they were?" Mr. Hersey owned himself to be a Union man, and at once proposed three cheers for the Union. While doing so he was stabled in the loft arm, whereupon the trio was stabled in the left arm, whereupon the trio pulled out their revolvers and "blazed away."— Two of their assailants fled at the discharge while the balance made a rush at the Pennsylva-nians. In the melec, Mr. Hersey was separated from his comrades, and has not since been heard of. Messrs. Patterson and Smuller succeeded in

PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedies the first of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and soc how directly they restore the natural action of the system, and with it the buoyant feeling of health ngain. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-scated and hangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the victues of these Pills, will neglect to employ them when suffering from the disorders they cause.

HOSTETTER'S STOMACH BITTERS:

The proprietors and manufacturers of HOS-TETTER'S CELEBRATED STOMACH BIT-TERS can appeal with perfect confidence to TERS can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half-million bettles, and from the work for the last year amounted to over a half-million bettles, and from the work for the last year. million bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one nullion bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the canction of the most prominent physicians in these sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give test monials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom.

peting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself.

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon

the stomach, liver, and other digestive organs,

This is not a temporary popularity, obtained by extraordinary efforts in the way of trum-

mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach de-rangements and general debility; acting under the advice of physicians, they have ahandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recupe-rate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Kursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physical

well as certain to give a permanent increase of bodily strength. All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, caused by malaria, diarrhea, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superannuated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hos-tetter's Celebrated Stomach Bitters a trial. CAUTION.—We caution the public against using any of the many imitations or counter-

feits, but ask for Hostetten's Celebrated

STOMACH BITTERS, and see that each bottle has

the words "Dr. J. Hostetter's Stomach Bitters"

cians, because it is agreeable to the taste as

blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the Prepared and sold by HOSTETTER & SMITH, Pittsburgh, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, South Ame-
