A "FUCITIVE SLAVE" made his appearance, last week, at the Public House of Patrick Brown, in East Hanover township. He was eared for a few days, when he disappeared anddealy with the watch of Mr. Brown and about \$20 in money belonging to Jacob Ellinger. He is one of the 'gentlemen' for whom we are kicking our welfare, happiness and prosperity to the dogs. If he is cought our tax payers will be obliged, in addition, to maintain him in the penitentiary for two or three years.

Milton McNare, John H. Leisy, Abner W. Hartman and Frederick Hummel. members of Capt. Ulrich's company, returned to Lebanon on Sunday and Monday last invalided. The rest of the company were well and still at Alexandria when they left.

REV. Mr. McCarter, pastor of the Methodist E. The Regiment to which he is attached is now on the march from Chambersburg across Maryland into Virginia, and although the enlistment of Mr. McCarter will continue but a few weeks, or until the discharge of the three months' men, he is likely to see some stirring scenes in this short period of time.

Dr. Ross has for sale a very desirable preparation at this season of the year for the purpose of making family BEER, at a cost of only 8 cents a gailon. The article is called the "Compound Extract of Roots," and in addition to its other qualities, is held in great esteem for its blood purifying and strengthening properties. Try it-25 cents a bottle.

Burglary.—On Tuesday night several burglarious attempts were made in this borough, one of which was successful. At the Jewelry store of J. J. Blair, the slide to the front door was pried out and a pane of glass broken, but fortunately the theires made no further progress, being evidently frightened from their bad work by some one appearing. At the store of E. Borgner, in East Lebanon, they were more successful. They entered by the same means, viz :--prying out the door slide, breaking a glass, and unlocking the door. It is supposed that they took about \$60 worth of store goods .-They also effected an entrance into J. Goodhart's Watch-making shop, but were unsuccessful in obtaining anything of value. It is to be hoped that the scamps will be caught and punished.

To TAX COLLECTORS .- For sale at this office, Blank Receipts for Tax Collectors.

Our County Commissioner and Associate Judges, who are by law appointed to direct the disbursement of the appropriation for the aid of the soldier's families have determined to pay to each soldier's wife \$1.25 per week and and Youths, manufactured there; secondly, the beauty 50 cents per week for each child. It is likely that and durability of the materials, and the superior excelthe amount to the wife will be increased before long, the amount now given is felt to be too small. "MONTGOMERY, C. S. A., May 25, 1861. "Gentlemen: —I received, with sincere pleasure the assurance that the State of Maryland sympathizes with the people of these States in their determined vindication of the right of self-government, and that the people of Maryland are culisted with their whole hearts on the side

of reconciliation and peace.
"The people of these Confederate States, notwithstanding their separation from their late siswelfare, and to hope that, at no distant day, a Sinte whose people, habits and institutions are so closely related and assignment with theirs, will seek to unite her fate and fortunes with those of

'The Government of the Confederate States "The Government of the Confederate States receives with respect the suggestion of the State of Maryland, that there should be a general cessution of hostilities, now impending, until the meeting of Congress in July next, in order that said hody, may, if possible, arrange for an adjustment of existing troubles, by means of negotiation, rather than the sword; but is at a loss how to reply without a repetition of the language it has used on every possible occusion that has it has used on every possible occasion that has presented itself since the establishment of its in-

'In deference to the State of Maryland, how ever it again asserts, in the most emphatic terms that its sincere and earnest desire is for peace that while this Government would readily enter-tain any proposition from the United States tending to a peaceful solution of pending difficulties, the recent attempts of this Government to enter into negotiations with that of the United States were attended with results which forbid any re newal of proposals from it to that Government "If any further assurance of the desire of thi Government for pence were necessary, it would be sufficient to observe that being formed of a se summent to observe that being formed of a confederation of sovereign States, each acting and deciding for itself, the right of every other sovereign State to the same self action and self government is necessarily acknowledged; hence

Its policy cannot but be peace—peace with every nation and people. "Very respectfully, "JEFFERSON DAVIS." To Messrs, M'Kaig, Yellot and Harding, Com-missioners of the Maryland Legislature.

"THE LIFE OF THE FLESH IS IN THE BLOOD," was said by inspiration long before Harvey's discovery of its circulation had brought to light its purposes and uses. Now we know not only that "life is in the blood," but that disease inhabits it also. Many of the disorders that pervade the human frame, have their home in it, thrive and grow in it. The celebrated Dr. J. C. Ayer, of Lowell, has had regard to this important fact in making a Remedy to cure these disorders. CARANDAGUA, July 15, 1859.

MESSRS. HOSTETTER & SMITH, Pittsburgh, Pa.:—Gents—As we are strangers, I herewith enclose you twenty-eight dollars for four dozen Hostetter's Stomach Bitters, which please forward via Michigan Southern Railroad, Toledo, Obio, and Clayton Station. I have purchased several dozen bottles at Toledo this Summer, but the sale is on the increase so much that I wish to open a direct trade with you. I was induced to try your Bitters by my physician, for the Liver Complaint, and received such material aid that I have recommended it to others and have sold about two dozen per week for some time. I have all kinds of medicine in my store, but there is none that I can so cheerfully and truthfully recommend as your litters, for I know they have helped me beyond my expectation.

Yours respectfully, Pililo WILSON.

HOSTETTER'S storach bitters.

The monrietors and manufacturers of HOS-TETTER'S CELEBRATED STOMACH BIT-TERS can appeal with perfect confidence to physicians and citizens generally of the United intes, because the article has altained a repu tation lovetofore unknown. A few facts upon this point will speak more powerfully than olunies of bare assertion or blazoning puffery The consemption of Hostetter's Stomach Bit ters for the last year amounted to over a halfpillion bottles, and from its manifest steady ncrease in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount ould never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its elliency in all cases of stomackie derangoments

and the diseases resulting therefrom. This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpering the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself. Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mild'y but powerfully, and soon restores them

to a condition essential to the healthy discharge of the functions of nature. Elderly persons may use the Eliters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have the evidence of thousands of aged men, and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her intent. Should the period of maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigora-tors that receive the endorsement of physicians, because it is agreeable to the faste as well as certain to give a permanent increase

of bodily strength. of bodily strength.

All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, caused by malaria, diarrhæa, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superannuated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hos-tetter's Celebrated Stomach Bitters a trial. CAUTION.—We caution the public against asing any of the many imitations or counterfeits, but ask for Hostetter's Celebrated STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" on the metallic cap covering the cork, and observe that our autograph signature is on the label. blown on the side of the bottle, and stamped

Prepared and sold by HOSTETTER & SMITH, Pittsburgh, Fa., and sold by all druggists, grocers, and dealers generally throughout the United States, South America, and Germany.

AYER'S CATHARTIC

PILLS.

Are you sick, fechie, and complaining? Are you out of order, with your system derauged, and your feelings succonfortable? Those symptoms are often the prelude to serious filtons. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleause out the disordered humons—of the hody into vigorous activity, purify the blood, and let the finite move on unobstructs its matural functions. These, if not reliaved, react upon themselves and the surrounding organis, producing general aggravation, suffering, and discusse. While in this condition, oppressed by the deraugements take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complains, is also true in many of the deep-scaled and dangerous distempores. The same purgative offset expels them. Caused by similar obstructions and deraugements of the natural functions of the body, they are rapidly, and many of them airely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them whou suffering from the disorders they cure.

Sintements from loading physicians in some of the principal cities, and from other well known public persons.

From a Forwarding Merchant of St. Louis, Phy. 4, 1850. Dr. Ayra: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her motion has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

As a Family Physic. From Dr. E. W. (tertarright, Acto Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease. Headache, Sick Headache, Foul Stomach.

From Dr. Edward Royd, Baltimere.

Dear Billo. Aver: I cannot asswer you what complaints I have cure I with your Pills better than to say all that we exer I with your Pills better than to say all that we exer I with a progradice melticine. I plue great dependence on an effectual enthantic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly. Dest we have, I or course vatue them highly.

Perrented, Per, May 1, 1885.

Dn. J. C. Ayen. Sir: I have been repeatedly cured of the worst headrche any body can flave by a cost or two of your Pills. It seems to arise from a foul stomach, which they cleaned at once.

Yours with great respect, RD, W. PREBLE, Clerk of Steamer Clurion.

Billous Disorders - Liver Complaints. From Dr. Theaders Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an specient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of billous complaints than any one react) I can mention. I sincerely rejoice that we have at length a pargative which is worthy the confidence of the profession and the people.

From Dr. J. P. Yangha, Mentruel, Cineda.

Too much cannot be said of your Pills for the cure of costineness. If others of our frateristy have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe confirences to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston. I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the intural secretion when whelly or partially suppressed, and also very effectual to channer the stanoch and expert shorms. They are so much the best physic we have that I recommend no other to my patients. From the Rev. Dr. Hawkes, of the National Upls, Church.
