to the windows of a farm house half into a fierce gallop, which he contin-hid between clustering trees. This used till he came in sight of a cross

alone whon he ontered, and a few "I's my only possible chance to words acquinted here "I's any one not sease in the second of the second the second of the second of the s

sound of approaching footsteps, surround the house and enter it." for the first time, the first company of used to oppose, and take all that property, ing her hand and was gone. At this instant the deep bay of a dog with a musket, and mounted on a sturdy horse. His destination was "Fire," he cried.

the American camp, then far to the northward, but as the intervening country was filled with the enemy, he pane of glass in front of the house the night—the dog fell dead—every pane of glass in front of the house the state the with-drawal of the troops from Hampton, where the state the state of the the state of the the state the state the state of the state of the the state of the knew there would be considerable adwas shivered, and the tories yelled iress required to effect his purpose. - like savages. In an instant the light force, while I advanced up the York or Before his departure, he saw a few of in the house was extinguished—the James river. In the village of Hampton his old playmates, who promised to violin quickly ceased—and a noise there were a large number of negrees, com was heard at the door. The tories posed in a great measure of women and immediately made a rush at it. But children of the men who had fled thither follow him as soon as possible.

Night found him near a lonely farm immediately made a rush at it. But house, to which he proceeded boldly it was already barred, and being within my lines for protection, who had esin search of lodgings. At first the made of stout oak plank, resisted all occupant received him coldly, but a their efforts. A rifle crack from one occupant received him coldly, but a chart enores. A rine crack from one chance expression convinced David that his host was a tory; he affected that his host was a tory; he affected the same political creed, and was immediately warmly welcomed. The royalist produced his cider after supper, and insisted that David should join him in his potations; this the

join him in his potations; this the A shed turned the rain from the young man did, taking care, howev- front of the house and underneath taking care of the clothes of the soldiers, er, not to indulge too freely; while this the tories shielded themselves and rations were being served out to the had charge of him head over heels, the farmer overjoyed to find what he from the fire of the Bunkers and men who worked for the support of the and invited Beauregard to "come on er, not to indulge too freely; while the farmer overjoyed to find what he supposed a new recruit for his party, drank without stint, and became more and more communicative. To his hor-ror, David soon learned that a party of royalists, led by a Major Wilson, drank without stint, and became more ing such resistance—perhaps from a

LETTER OF GEN. BUTLER.

I was then throwing up intrenched works to enable me to hold the town with a small

caped from marauding parties of rebels who had been gathering up able bodied blacks to aid them in constructing their

under the gleam of the mid-day sun. The women were earning substantially their own subsistence in washing, marketing, and

Next you claim the right of revolution. It is undoubled. No one denies it. But in order te justify and maintain that right before God and lines the negro children who are found therein, or is the soldier, when his march

hid between clustering trees. This was the residence of Mary Bunker, the mistress of his heart; the lights showed that the family had not yet retired, and he resolved to pay her a visit before his departure. She was alone when he entered, and a few words acquainted her of his determi-tion. She burst into tears. "Handoutstand the lights and maintain the tright before God and stopped, and learning that the loyal-ist had taken the high road, he turned alone when he entered, and a few words acquainted her of his determi-tion. She burst into tears. "Handoutstand the loyal-into a more narrow and more circuit-tion. She burst into tears. "Nay, Mary "he said "yon must "Nay, Mary "he said "yo

rung her hand and was gone. The next day he left the neighbor-ood of his father's house, armed ith a musket, and mounted on a urdy horse. His destination was e American camp, then far to the orthward, but as the intervening untry was filled with the energy he "Pardon me for addressing the Secre-"straction,' and hardly one of them until the para-"straction,' and hardly one of them until the para-tion of the strange of the stamp act,' imposed a direct tax.-it involves some political considerations as well as propriety of military action. "I am, Sir, your obedient servant, BENJAMIN F. BUTLER." A PET LAMB ASTONIHES THES SECES. BIONISTS.—The Richmond papers tell of a Fire Zouave who was caught and taken to Fairfax. When carried be. Boauracryd he manifested his taken to Fairfax. When carried be.
