WEDNESDAY, AUGUST 21, 1861. HOME AFFAIRS.

For the Advertiser.

Editor of Adventisen :- Please put forth the name of JACOB WEIDLE, Esq., of Lebanon, for ASSOCIATE JUDGE. No one will dispute his peculiar fitness for the position, and at this juncture of our affairs merit will probably be rewarded instead of party services. UNION.

We are requested to announce the name of Mr. ELIAS MOYER, of South Lebanon, as an Independent candidate for County Commissioner, at the ensuing election.

Mr. Ediron.—Please announce Mr. Henry J. Light, of North Lebanon township as an Independent Union candidate for County

The best daily Democratic newspaper published in the State is the Harrisburg Putriot and Union. Persons desirous of a daily, in addition to their county weekly, will be exactly suited by the paper named. It is O. K.

Last work the Post Office at Ach. wy's Corner, this county, was discontinued and the Mail carrier ordered not to pass over that woute, hereafter. The Government or, perhaps, Tather those furnishing information seem to have an especial batred of the people in the lower section of our county. It was but a few weeks ago that the Post Office at Millereck Centre was discontinued and the route abolished, to the great inconvenience of the people of that section, and to the pecunity loss of the contracter who had made all his arrangements to carry the mail for four years according to his contract. In the onse of Achey's the mail was served three times a week, although the mail is carried every day, but on the intervening days it passes over the new road. It was no expense to the Department, but on the contrary, although it was a small office, produced a ballance to the government quarterly, which is not the case with many offices of greater pretensions. Hence, the plea that is did "not pay" is of no weight, the reverse being the fact.

WE were pained to read the apology of our friend GETZ of the Reading Guzette, for the nonappearance of his paper at the proper time a week. ago. First the press broke, and then while ranging the forms to have it printed elsewhere, the whole editorial page was knocked

GEN. WEIDMAN'S Cavalry company is making headway. At the first meeting on Saturday evening, about a dozen names were obtained which is considered a very good start. Several more have been added since. Meetings standing passes are revoked. will be held every evening this week at Mrs. Rise's, where all disposed to take part in the movement are invited to come, and where every ryland, met at Bultimore on Thursdesirable information will be furnished. All day and nominated Augustus G. Bradpersons in Lebanon county bound for the wars ford as candleate for Governor of Mashould keep together, as it will give them many ryland, opportunities to receive aid and comfort from their friends at home. We know of no company in the army that we would rather serve in than of the Kentucky Legislative election, Gen. Weidman's.

The following are the non-commisstoned officers and privates of a company of Cavalry with their pay, viz:

PER MONTH 1 Ouarter Master Sergeant. 1st Sergeant, 2d Sergeant. 3d Sergeant,
4th Sergeant,
5th Sergeant,
8 Corporals, each,
1 Blacksmith, 7 Farrier. Buglers, each, 64 to 88 privates, each,

In addition to the announcements heretofore made of candidates for the Republican nomination for county offides are the following :- Isano Hoffer, Associate Judge; John Beck, Joseph Light, Sheriff; John N. Smith, Christian O. Melly, Treasurer; and George D. Zimmerman for Director of the Poor.

GONE TO THE WARS .- Our staunch Democratic friend, Jerome S. Weaver, of Fredericksburg, left this county on Monday for the war. He has enlisted in Capt. White's Cavalry company of Schuylkill county. He is accompanied by John Isenhaur, Henry Byle, John J. Byle, John Kirst, Frederick Strife, Rudolph

We are informed that the above would have joined Gen. Weidman's company, if they had not been already engaged when the General opened his lists.

Our friends, the Acheys, near Shæfferstown, are as thorough friends of the Union and Constitution as can be found in this county, but, because they are Democrats, and not afraid to acknowledge themselves as such, they are foully slandered and belied, and threatened with personal violence and the destruction of their property: That the cause of the Union cannot and Youths, manufactured there; secondly, the beauty be promoted by the terrorism at present abroad in the land, is self evident, and if it is not speedily discountenanced and put a stop to, may yet lead to evil consequences.

The Pic-Nic to Womelsdorf will take place on the 29th inst. Ladies and Centleman are invited to participate.

Prince Napoleon and suite passed through this place, on Thursday last, en route for the West. Mrs. Lincoln, the wife of the President, also passed through, on route for New York, on Wednesday.

Let us cultivate music for our own sake, if not for its own sake; bearing in mind that "the man that hath not music in his soul, is fit for treason, &c." THE UNION.-Philadelphia possesses the most splendid Clothing Emperium in the country. It is splendid as regards the palatial structure in which the immense business of the establishment is conducted, and it is equally splendid in respect to its great facilities and vast resources. We refer, in this description, to none other than the Brown Stone Clothing Hall of Rockhill & Wilson, Nos. 603 and 605 Chestnut Street, above Sixth, Philadelphia. [Ju 12-1y.

DELIRIUM TREMENS .- For this, the DELIRIUM TREMENS.—FOR this, the most awful of all complaints by its cause, and by its effect, finds a sure remedy in Hunnewell's Tola Anodyne. So marked was its effect on a violent case, that a physician remarked that "it might cause draukenness, by the ease with which it was cared." The giving of opium actually aggravates the case, reproduces a counter delirium, and it requires no argument to prove that this is a stop to cure. This contract of the Anodyne with preparations of opium, we ask to be proved by all, and are willing to test on results alone. Read the pamphilet, and follow directions carefully. See advertisement.

HOSTETTER'S STOMACH BITTERS.

The proprietors and manufacturers of HOS-TETTER'S CELEBRATED STOMACH BIT-TERS can appeal with perfect confidence t physicians and citizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upor this point will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half-million bottles, and from its manifest steady ncrease in times past, it is evident that during the coming year the consumption will reach near one willion bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominen physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachie derangements and the diseases resulting therefrom.

This is not a temporary popularity, obtained by extraordinary efforts in the way of trum-peting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destination of an invaluance medicine, which is destined to be as enduring as time itself. Hosterter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of un-alloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge

of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonie, and rejuvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach de-rangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harassing that many of them suk under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recupe-rate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Litters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase

well as certain to give a permanent increase of bodily strength.

All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, caused by malaria, diarrhoed, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superannuated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostett's Celebrated Stomach Bitters a trial.

CAUTION.—We caution the public against CAUTION .-- We caution the public against using any of the many imitations or counterfeits, but ask for Hostetter's Celebrated STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped
