We are requested to announce the name of Mr. ELIAS MOYER, of South Lebanon, as an Independent candidate for County Commissioner, at the ensuin g election.

Mr. EDITOR.-Please announce Mr. Henry J. Light, of North Lebanon township as an Independent Upion candidate for County Commissioner.

The examination of teachers for the Schools of South Lebanon district, has been posponed to the last Saturday in September.

Grant Weidman, Esq., son of Gen. John Weldman, was, on motion of Hon John C. Kunkel, admitted to practice law in the Courts of this county, last week. We trust he may have a prosperous and brilliant future before him, for which he has the character and talent.

Depredations are committed almost - overy night upon the property of the farmers in "this county. Last week the smoke-house of Isaac Hetrich, in Union township, was entered and Juite a quantity of meat and sausages stolen .---An attempt was also made to onter the cellar of Lyon Lemberger, but the scamps were frightened off. Corn and potatoes in the fields are stolen nightly.

A horse attached to a huckster wagon was killed last week at the depot. He was frightened by the locamotive, ran off and fell over an embankment. the shafts of the wagon entering his body, wounding him so severely that he had to be killed.

Philip F. McCauly, of this place, has

The Pic-Nic, advertised to take ance Band for its excellent music on the occasion was adopted, when the meeting adjourned with place on the 29th, by the Perseverance Fire Company, to Manderbach's, has been postponed indefately, owing to the times. We further learn LETTER FROM CAPT. LANTZ'S that the members of the Fire Company intend organizing themselves into a Military Company, to be attached to the Regiment proposed to be formed in this county. That's patriotic.

The Rebuplican County Convention will meet next Monday. It is supposed by some that only a part of the ticket will be nominated, jeaving the ballance to be filled out by the Demoerati.

Court was in session the whole of last week. Jacob B. Meily, noted as foreman of the grand jury, The following is a synopsis of the business transacted.

EDITOR ADVERTISER :--- We have had a rainy, disagreeable week of it, and from the way it sounds upon my tent now I suppose we need not expect anything else for some time. The monot-ony of Cump life, however, has been broken by the appearance of no less personage than one of the Pay masters from Pennsylvania. He commenced puying on Monday morning, and although they deducted almost half that was justly dae us we were very glad to take the balance under protest. I suppose two weeks longer would have left us none, under the decision of some political leech who is fattened while the chance lasts. But we now belong to Uncle

Sum for balance of the war, and hope to have no more complaints to make. We had a grand review yesterday by Gen. Mc-

THE GREAT CLOTHING EMPORIUM OF THE UNION .- Philadelphia possesses the most spien did Clothing Emporium in the country. It is splendid as regards the palatial structure in which the immense business of the establishment is conducted, and it is equally splendid in respect to its great fucilities and

vast resources. But to its patrons its chief attraction are, first, the elegance of the garments for Gentlemen and Youths, manufactured there; secondly, the beauty aud durability of the materials, and the superior excellence of the fit, and lastly the moderate prices at which the goods are sold. We refer, in this description, to none other than the Brown Stone Clothing Hall of Rockbill & Wilson, Nos. 603 and 605 Chestout Street, above Sixth, Philadelphia. [ju 12-1y.

EVEN THOSE who are in the enjoy-ment of perfect health frequently have need to have re onrea to tonics as preventives of discess. We are never too well armed against the assaults of "the ills that flock 's heir to." Such an invigorator they may find in HOSTETTER'S BITTERS-a mellicine that can no be taken regularly without giving vitality and elas-ticity to the system. At this senson, partlehalery, the strongest man is not proof against the malaria, in car-tain sections of the country. In all cases of ferer and ague, the Birters is more potent than any amount of quinine, while the most dangerous cases of billious fe-ver yield to its wonderful properties. Those who have the different who have not made the experiment, we cordially recom mend an early application to the Bi tes, whenever they are stricken with divenses of the digestive organs. The genuine, highly concentrated Holland Bitters is put up in half pint bot-ties only, inaving the name of the proprietor, B. This delightful Aroma has been received by Ameri-cans, with the favor which is only extended to really scientific preparations: When we cousider the marked success attending its administration. in the most stub-born cases of Fever and Ague. Weakness of any kind Dyspepsia, Heartburn, Acidity of the Stomach, Sick and Nervous Hendache, Indigestion. Costiveness and Piles, regether with the complete control it exercises over all Nervous, Rheumatic, and Neuralgic Affoctiona, we cannot wonder at its popularity. Well may the in-valid value this remedy.

DELIRIUM TREMENS .- For this, the DELIRIUM TREMENS.—For this, the most awful of all complaints by its cause, and by its effect, fluds a sure remedy in Hunnewell's Tolla Ano-dyne. So marked was its effect on a violent case, that a physician remarked that "it might cause drunken-ness, by the ease with which it was cured." The giving of opium actually aggravates the case, reproduces a counter defirium, and it requires no argument to prove that this is a stop to cure. This contrast of the Ano-dyne with preparations of opium, we ask to be proved by all, and are willing to rest on results alone. Read the pamphlet, and follow directions carefully. The proprietors and manufacturers of HOS-TETTER'S CELEBRATED STOMACH BIT-TERS can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a repustates, because the article has attained s repa-tation heretofore unknown. A few facts upon this point will speak nore powerfully than, volumes of bare assertion or blazoning puffery. The consumption of Hostetter's Stomach Biteters for the last year amounted to over a halfmillion bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the prepara-tion, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements

It removes all morbid matter from the stomach, parifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mild y but powerfully, and soon restores them to a condition ossential to the healthy discharge Yof the functions of nature. Elderly persons may use the Bitters daily as

per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the phlate, invigorating to the bowels, excellent as a tonie, and rejuvenating generally. We have the evi-dence of thousands of aged mon and women who have experienced the boncfit of using this preparation while suffering from stomach derangements and general debility; acting finder the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternit arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigora-tors that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of bodily strength.

All those persons, to whom we have partien larly referred above, to wit: sufferers from fever and ague, caused by malaria, diarrhees, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superannuated invalids, persons of sedentary superanniated invalues, persons of sedestary occupation, and nursing mothers, will consult their own physical welfare by giving to Ros-tetter's Celebrated Stomach Bitters a trial. CAUTION.—We caution the public against

using any of the many imitations or counter feits, but ask for HOSTETTER'S CELEDRATES STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stampa on the metallic cap covering the cork, and observe that our autograph signature is on the label.

We however did not arrive there much before 10 o'clock, but at an ready gathered together in the grove where the Pic-nic was held. This large concourse was probably owing to the presence of the Washing-ton Band of Annville, who favored them with their sweet and pleasing strain of music on this occasion. The exercises of the school were short and the remarks of different persons on the occasion were kimited, as our Hanover friends had assigned a large portion of the day to various amusements for the special benefit of both small and large children. non county to Morrison's Cove, where he lived until his death. Brother Carper was one of the oldest and most influential members of the Ger-

As is generally the case their seemed to be a bors in eternal rest above. He lived long in the land which the Almighty gave film, and died in a good old age, on the 3d inst. His remains were followed to the grave by a large number of relations and friends, who thus paid to him their want of spirit in the beginning of the plays, but befere the day was ended there uppeared to be more spirit than physical strength to carry it in-

c) We must now, while seated at home reflecting over the enjoyment and amusement which we have divent which we shared with our Hanover friends, congratulate them on the pleasant entertainment and kind hospitality which they have given to us strangers who were that day in their midst.
