It is scarcely necessary for us to say that the resolutions prepared by the Court louise-Clique and read in the Union Convention, fast week, for the purpose of breaking it up, are garbled as printed in the opposition papers --The Most allensive word was "Lacofacoism" as read to the 2d resolution, which in print has been changed to "Disunionista."

It was announced on Sanday from the Stand on the Camp Ground, in North Labanon borough, that a telegram had been received that fighting was going on at Washington, and that the soldiers in Camp Curtin were ordered on at once. The news created considerable commotion. It was all based upon the supposition of a gentleman from Harrisburg that the troops would be ordered on some time this week, and that a fight might soon take place.

Capt. John Weidman's company of cavalry, from Lebanon county, were sworn into the service at Camp Curtin a few days since. and were pronounced by the examining physician as one of the finest bodies of men subjected to his scrutiny, not one being rejected. Captain Weidman is the grandson of an officer of the Revolutionary army, who was twice promoted on the field of battle for gallant conduct; and should orty. DELIRIUM TREMENS .- For this, the DELIRIUM TREMENS.—For this, the most awful of all complaints by its cause, and by its effect, fields a sure remady in 'llumewell's Tolin Ano-dyne. So marked was its effect on a violent case, that a physician remarked that 'in might cause drunken-ness, by the enso with which it was cured." The giving of optim actually aggravates the case, reproduces a counter delirium, and it requires no argument to prove that this is a stop to cure. This contrast of the Ano-dyne with preparations of optim, we ask to be proved the paraphilet, and follow directions carefully. See ad-vertisement. [August 7-lu.]
