## THE CORNER.

JUST CAUSE FOR ANGER.-It is stated that a German of the 2d Michigan Regiment in hospital at Washington, had his arm imputated. His description of the sensation he feels from his fingers, which lately belonged to his left arm, causes frequent bursts of merriment from the other parties in the ward. He says, "I veels ter tings mit mine vingers ven I knows I'se got no vingers dare, and it makes me mad ven I feels ter tings all ter time mit mine vingers ven my vingers ain't there any more sthill."

An Irishman's Acquaintance.—A western physician was riding in an omnibus when an Irishman stepped in, and recognizing the doctor, said:

"Och, an' sure, an' its Doctor J---, persave."

"That's my name, sir, but I haven't the pleasure of knowing you," responded the

"Indade! but I'm the felly what made yer last boots, and which yer honor forgot to get a resate for the payment ov!" The ladies tittered, the Doctor's mem ory was refreshed, and Paddy got his

money and gave the "resate," when the

Doctor got to his destination. QUERY .- If four dogs with sixteen legs can catch forty-nine rabbits with eightyseven legs, in forty-four minutes, how many legs must the same rabbits have to get away from eight dogs with thirty two

legs, in seventeen minutes and a hali?

Solution - Add together the legs of the rabbits and the tails of the dogs' and divide the amount by three big dogs, this sayes four bushels of barks and thirteen pounds of hair Take the tractions of the rabbits, and six inches of snow, and multiply by a dog fight. Then divide by a man with a double-barreled shot gun, and add a piece of fresh beef. Multiply by half as many legs as three times a less number of rabbits would have had, and divide by one-third of the time it would take for the rabb ts to get away from the dogs, less seventeen and a half minutes The result depends upon the size of the

THINGS THAT I HAVE SEEN. I have seen a farmer build a house so large and fine, that the Sheriff turned him out of doors.

I have seen a young man sell a good farm, turn merchant, break, and die in an insane hospital. I have seen a farmer travel about so

much, that there was nothing at home worth looking after. I have seen a rich man's son begin

where his father left off-wealthy; and end where his father began-penniless. I have seen a worthy farmer's son idle away years of the prime of his life, in dissipation, and end his career in the poor

house. I have seen the disobedience of a son "bring down the gray hairs of his father "to the grave."

The captain of a vessel is not governed by his mate, but a married landsman generally is.

The town of Chartres was beseiged by Henry IV., and at last capitulated. The magistrate of the town, on giving up the keys, addressed his majesty:-The town belongs to your highness

by divine law, and human law." "And by cannon law, too," added Henry.

Pope once dining with Frederick, Prince of Wales, paid the prince many compliments.

"I wonder, Pope," said the prince, "that you, who are so severe on kings, should be so complaisant to me."

"It is," said the wily bard, "because I like the lion before his claws are grown."

Touching. - In the last number of Vanity Fair is a picture entitled "Humors of the War" representing a lady and representing a gentleman in uniform with a pistol, and beneath "Clara—I know it is an odd gift from a lady, but Charlle, I thought that when you were far away, it may be pleasant for you—to—to—to have my arms always about you."

Tille undersigned, having bought Mr.

Henry Spoon's Wood and Coal Yard, a short distance north-east of Messrs. Foster a short distanc

ARMED RESISTANCE TO THE WAR TAX.-There is an organization in Albion, Maine, and the adjoining towns, numbering several hundred, composed of men who have banded together to resist the Government in collecting taxes, &c. On Saturday last they had a muster at Freedom, where over one hundred paraded. One company had uniforms and muskets .--Lancaster Examiner.

Pensions to Solpiers.—Under the first section of the act of July 4, 1836, soldiers of the volunteer or militia service, and the widows of soldiers dying in the battle or from injuries or disease incurred while in service, are entitled to the full benefit of the invalid pension laws. Volunteers for more than six months are especially provided for by an act passed at the late session of Congress, similar in advantages. except omitting the hundred dollars bounty upon honorable discharge. The invadid pension laws give the wounded soldier an annual stipend proportioned to his disability, viz: if totally disabled, the pay to which he is entitled while in the service; if half disabled (as certified by the examining surgeons) then half pay; and so on for a less disability.

Widows of officers or soldiers dying in the service, or by reason of injury or disease incurred therein, are entitled to a pension amounting to one-half the pay received by their husbands. Minor children • under sixteen (where there is no widow) are entitled to this pension (to be equally divided if there is more than one child) until of the age mentioned. No bounty land is provided for by law.

for any service whatever subsequent to the passage of the act of March 3, 1855 -For service previous to that date the soldier can only receive bounty land when he has been engaged in some recognized war, or else has actually been in battle, in the service of the United States.

Neither boundy land nor pension will be granted except upon satisfactory proof of service and identity forwarded to the Pension Office at Washington. Till's valuable preparation, freed of all the common components, such as Oplates, or Expectorants, which not only run down the aystem, but destroy all chance of cure, will be found on trial to possess the following properties, and to which the most valuable testimonials may be found in the pamphlets.

For whooping Cough, and as a Soothing Syrup, it meets every want, and by early use will save the largest proportion of ruptures in children which can be traced to Whooping Cough.

In ordinary Coughs and Bronchial Complaints, the forerunners of Consumption, its spleudid tonic properties make it not only the most perfect enemy to disease, but builds up and sustains the system against recurrence of the Complaint. No nursary should be without it, nor should parents fail to get a pamphlet, to be found with all dealers, as the only way to do justice to its value.

THIS great Neuralgie Remedy and Natural Opinies calls for special attention and interest, being free of Opium, or preparations of Opium, or of any but its strictly vegetable and medical properties. For Neuralgia, Rheumatism, Gout, Tooth and Ear Ache, Spinal Complaints. Bleeding at Lungs or Stomach. Rose or Hay Fever, Catarrh, and all minor Nervous Complaints. For Loss of Sleep, Chronic or Nervous Complaints. For Loss of Sleep, Chronic or Nervous Head Ache, Sick Head Ache, it has no equal, and to which we offer estimonials from undoubted sources.

For Dollirium Tremens it is a Surs Remedy.

For Bowiel Complaints, including Cholera Morbus, it is splendidly adapted. in not only removing the pains but acting as physic, a great contrast with Opium, which not only constipates and drugs the system, but makes the remedy worse than the disease.

From physicians we ask attention, and on demand Formulas or Trial Bottles will be sent, developing in the Anodyne an Opiate which has long been wanted, and in the Cough Remedy such as rest entirely on one central principle.

PILLS.

From a Forwarding Merchant of St. Louis, Peb. 4, 1856. Dr. Ayen: Your Pills are the paragen of all that is-great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her moller has been long giov-ously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have sured her.

ASA MORGRIDGE.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are nild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease. From Dr. E. W. Curtwright, New Orleans.

Billous Disorders - Liver Complaints. From Dr. Theodore Bell, of Now York City.

Not only are your Pills admirably adapted to their purposes as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one romely I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

Fraternally yours, ALONZO BALL, M. D., I'mysician of the Marine Hospital. Dysentory, Diarrhea, Relax, Worms.

Dyspensia, Impurity of the Blood.

From Mrs. E. Suart, Physician and Midwife, Boston.

I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stamach and expet worms. They are so much the best physic we have that I recommend no other to my patients. From the Rev. Dr. Hawkes, of the Methodist Epis. Church.

From the Rev. Dr. Hawkes, of the Methedist Epis, Church.
PULASK, HOURE, Savannah, Ga., Jan. 6, 1856.
HONDRED Shr.: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A celd settled in my limbs and brought on excruciating neurolyic paints, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackennie, I tried your Pills. Their effects were slow, but sure. By persovering in the use of them, I am now entirely well.

Senate Chamber, Baton Rouge, La., 5 Dec. 1855.

Dr. Aygr.: I have been entirely cured, by your Pills, of Rheumatic Gout—a painful disease that had afflicted me for years.

CATHARTIC

Are you sick, fieble, and complaining? Are yeu out of order, with your system derauged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pilis, and cleause out the disordered humors—purify the bloed, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the deraugements, take Ayer's Pilis, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-scated and dangerous distempers. The same purgative offect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them urely, sured by the same means. None who know the virtues of these Pilis, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

As a Family Physic.

Headache, Sick Headache, Foul Stomach. Prom. Dr. Edward Boyd, Baltimore.

Dear But. After: I cannot answor you what complaints I have cured with your Pills better than to say all that we ever treat with a puryalive medicine. I-piece great dependence on an effectual enthartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

DR. J. C. Arke. Sir: I have been repeatedly cured of the worst headache any hody can have by a dose or two of your Pills. It seems to arise from a foul atomach, which they cleans at once.

Yours with great respect,

Clerk of Sicamer Clarion.

DEPARTMENT OF THE INTERIOR, Washington, D. C., 7th Feb., 1856. 
SIR: I have used your Fills in my general and hespital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldem found a case of bitious disease so-obstinate that it did not readily yield to them. Fraternally yours. ALONZO RALL. M. D.

From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best sportenuts I have ever found. Their attentive effect upon the liver makes thom an excellent remedy, when given in small doses for billous dysentery and diarrhem. Their sugar-coating makes thom very acceptable and convenient for the use of women and children.

Prom Rev. J. V. Himes, Pustor of Advent Church, Botton.

Dr. Aven: I have used your Pills with extraordinary success in my fatuity and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Yours, J. V. MIMES. my friends.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1856.

DEAR Sir: I am using your Cathartic Fills in my practice, and find them an oxcellent purgative to cleanse the system and purify the fountains of the blood.

JOHN G. MEACHAM, M. D.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Drop-sy, Paralysis, Pits, etc. Ey, Paralysis, Pits, etc.

From Dr. J. P. Vaughn, Montral, Canada.

Too much cannot be said of your Pills for the cure of castiscenss. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe extremess to originate in the liver, but your Pills affect that organ and cure the disease.
