COUNTY TREASURER. To the Independent Voters of Lebanon county.
The subscriber offers himself to you as an Independent Union candidate for County Treasurer, subject to the decision of the voters at the ensuing Fall election. Should he be so fortunate as to receive a majority of your votes and he elected, he promises to perform the duties of the effect with integrity, to the best of his ability, and to the satisfaction of the public.

Cornwall township, September 4 1861.

SHERIFF. THE undersigned will be a union candidate for the office of Shearer, at the ensuing Fall Election. He will be thankful for the support of all the voters of the conset, promising, if elected, to perform the duties of the office to the satisfaction of the public.

Lobanon, August 8, '61. ELIAS LIGHT.

We are requested to announce the name of Mr. Elias Moyer, of South Lebanon, as an Independent candidate for County Commissioner, at the ensuing election.

ACCEPTANCE of the UNION CANDIDATES. J. Funck, Esq., Dear Sir Your note as Chairman of the Committee appointed by the late Republican, and Democratic Convention of Lebanon county to notify the candidates of their nomination, has been received. Approving of the Union movement which that convention has set on fout, we cheerfully accept the nominations which have been tendered us, upon the platform of principles adopted by the convention.

The Constitution and the Union must be maintained. Treason and Rebellion must be suppressed and punished, and the National Administration, which is doing its utmost to accomplish these ends, must be heartily sustained by the whole people without distinction of party. All patriots must be gratified to witness the

unexampled unanimity of sentiment which pervades the masses on this question. Their mutto: "The Union must and shall be preserved," has gone forth, and they are now everywhere joining hands to make it good. In this we are most heartily with them. Yours, &c., Signed by 18AAC HOFFER

September 14, 1861. MR. IMMEL'S WITHDRAWAL.

To the Voters of Lebanon County:- I had submitted my name to the Voters of Lebanon county as an Independent Union caudidate for the office of Sheriff at the ensuing election, but the Democrats and Republicans of this county having met in joint convention and settled a Union Ticket, pleaged in support of the National Administration for a vigorous prosecution of the war, I hereby withdraw my name, and request my friends to unite with me in support of the Union Ticket at the coming election.

It strikes us that the less endorsement the Courier gives to the "gentleman of classical education who has traveled through this country and Europe," the better it will be for its own reputation, politically and morally. Politics makes strange bed fellows, which is evidently one of the reasons that the gentleman of "classical education" likes to dabble in it.

Up-HILL WORK .- The labors of the Courier to prove that the ticket nominated on the 2d of September is a "Union-ticket." It forgots that, even if the convention was a Union convention, that it adjourned sine die without single nomination, and that the ticket at the head of its columns is only the Court House Olique's Ticket,-a ticket-made up by a number of gentlemen of that persuasion, in their individnal capacity, without authority or power save that of the Clique and their own disposition.

PALPABLY TRUE. -- We like to agree with the Courier. Last week it says :-"Men will vote at the election with their eyes open, unless they wilfully close them and not ses."

There is not a single "departure from truth" in all the three lines, and Tom Pepper will not be delighted with them.

MILITARY UNIFORMS.—There is, perhaps, no department of military business in which there has been a more marked improvement than in the clothing of the soldiers. Not many years since officers and privates were clad in garments which were almost skin-tight. They were leather stocks, which were worthy of the name, for they kept the wearer in tribulation; while their padded breasts and tight sleeves made volition a matter of great difficulty. During the present war, such of our volunteers as procure their uniforms at the Brown Slone Clothing Hall of Rockhill & Wilson, Nos. 603 and 605 Chestnut street, above Sixth, Philadelphia, obtain clothing that is perfectly easy, substantial and becoming. The firm named have gone largely into the business of making Military Clothing, and their facilities enable them to fill the largest orders in the shortest possible time.

DELIRIUM TREMENS .- For this, the DELIRIUM TREMENS.—For this, the most awful of all compilains by its cause, and by its effect, finds a sure remedy in Hunnevell's Toln Anodyne. So marked was its effect on a violent case, that a physician remarked that "it night cause drunkentess, by the case with which it was cured." The giving of opium actually aggravates the case, reproduces a counter delirium, and it requires no argument to prove that this is a stop to cure. This contrast of the Anodyne with preparations of opium, we ask to be proved by all, and are willing to rest on results alone. Read the pamphiet, and follow directions carefully. See advertisement.

Take Ayer's Filit, and cleanse ont the disordered humors—purify the blood, and let the fluids nove ou unobstructed in health again. They stimulate the functions of the body inte vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Filits, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-scated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and, many of them arrely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

J.Rice

Dr. Are: Your Pills are the paragon of all that is great in medicine: They have enred-my little daughter of ulcerons sores upon her hands and feet that had proved incurable for years. Her mother has been long grievally afflicted with blotches and nimples on her skin and in her hair. After our child was cared, she also tried

your Pills, and they have sured her.

ASA MORGRIDGE. As a Family Physic. From Dr. E. W. Curturight, New Orleans. Your Pills are the prince of purges. Their excellent qualities surpuss any cathartic we possess. They are mild, but very certain and effectual in their action, on the bowels, which makes them invaluable to us in the daily

Headache SickHeadache, Foul Stomach. Prom. Dr. Litoural Bond, Ballimore.

Dear-lino. Aven: I cannot answer you what complaints.
I have cared with your Pills better than to say all that we ever treat with a purphire medicine. I place great dependence on an effectual cathentic in my daily contest with disease, and believing as, I do that your Pills. afford us the best we have, I of course value them highly. DR. J. C. Aven. Sir: I have been repentedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they chanse at once.

Yours with great respect, ED. W. PREBLE, Clerk of Steamer Clarium.

Bilious Disorders - Liver Complaints. From Dr. Theadare, Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indued. They have in my practice proved more effectual for the cure of bitious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

Department of the procession and the people.

Department of the Interior, washington, D. C., 7th Feb., 1856.

Sir: I have used your Fills in my general and hospital practice ever since you made then, and cannot fusitute to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for detangements of that organ. Indeed, I have seldom found a case of billous disease so obsting that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D.,

Physician of the Marine Hoppital.

Dysentery, Diarrhan, Relax, Worms. From Dr. J. C. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterntive effect upon the liver makes them an excellent remedy, when given in small doses for bilious dyscutery and diarrhead. Their singur-coating makes them very acceptable and convenient for the use of women and children.

Dyspensia, Impurity of the Blood.

Rev. J. V. Himes, Paster of Advent Church, Boston. DR. Area I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To, regulate the organs of digestion and purify the blood, they are the very best ranedy I have ever known, and I can confidently recommend them to my friends.

Yours, J. Y. HIMES. Warsaw, Wyoming Co., N. Y., Oct. 24, 1856.
Dear Sin: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fundations of the blood.

JOHN G. MEACHAM, M. D.

Constitution, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Drop-sy, Paralysis, Fits, etc. From Dr. J. P. Yaughn, Montreal, Canada.

Too much cannot be said of your Pills for the cure of confireness. If others of our finiternity have found them as efficacious as I have, they should join me in procising it for the benefit of the multitudes who suffer from that complaint, which, although had enough in itself, is the progenitor of others that are worse. I believe conficeness to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physic I find one or two large doses of your Pills, taken at the proper time, are excellent premotives of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel corms. They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawkes, of the Mchadist Epis. Church. Profit the Rev. Dr. Hawker, of the Methodist Epix, Church,
Putassi House, Savannah, Ga. Jan. 6, 1856.
Hoxored Sir: I should be inigrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on exerusiating neuralgic pains, which ended in chronic rhemmatism. Notwithstanding I had the bast of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persoreing in the use of them, I am now entirely well.

SENATE CHAMBER, Baton Rouge, La., 5 Dec. 1855.
DE. AVER: I have been enthely cured, by your Pills, of Rheumelic Gout—a painful disease that had afflicted me for years.

VINCENT SLIDELL. As Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incantious use. These contain no mercury or mineral substance whatever.

PROF. WOOD'S RESTORATIVE CORDIAL

BLOOD RENOVATOR Is precisely what its name indicates, for, while pleasant to the taste, it is revivifying, exhibitating, and strengthening to the vital powers, it also revivifies, reinstates and renews the blood in all its original purity, and thus restores and renders the system; invulnerable is attacks of disease. It is the only preparation ever offered to the world in a popular form as as to be within the reach of all. So chemically as to be within the reach of all. So chemically, and skillfully combined as to be the most powerful tonic, and yet so perfectly adapted to as to act in perfet accordance with the laws of nature, and hence southe the recakest stomach, and tone up the digestive organs, and allay all nervous and other irritation. It is also perfectly exhibitating in its effects, and yet it is never followed by lassitude or depression of spirits. lexhilarating in its effects, and yet at is never followed by lassifunde or depression of spirits.—
It is composed entirely of egotables and those thoroughly combining powerful tonicand soothing properties, and consequently can never injure. Such a remedy has long been felt to be a desideratum in the medical world, both by the thoroughly skilled in medical science, and also by all who have suffered from debility; for it needs no medical skill or knowledge even to see that debility follows all attacks of discuss, and lays the unguarded system open to

for it needs no medical skill or knowledge oven to see that debility follows all attacks of discuse, and lays the auguarded system open to the attacks of many of the most dangerous to which poor humanity is constantly liable.—Such, for example, as the following: Consumption, lirouchitis. STOMACH BITTERS. The proprietors and manufacturers of HOS-TETTER'S CELEBRATED STOMACH BIT-TERS can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a repu tation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a halfmillion bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amound could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonialy to ite efficacy in all cases of stomachic derangements and the diseases resulting therefrom This is not a temporary popularity, obtained

peting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system. giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but nowerfully, and soon restores them

to a condition essential to the healthy discharge

by extraordinary efforts in the way of trum-

of the functions of nature. Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic. and rejuvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when heir cares are so harassing that many of themsink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity arrive during the summer season, the wear of ody and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the nother to hear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigora-tors that receive the endorsement of physi-cians, because it is agreeable to the taste as well as certain to give a permanent increase of bodily strength. All those persons, to whom we have partieu-

larly referred above, to with sufferers from fever and ague, caused by malaria, diarrhees, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superannuated invalids, persons of sedentary occupation, and nursing mothers, will consult their companions of with their consultations and superannuated wife to be simple to the second selections. their own physical welfare by giving to Hos-tetter's Celebrated Stomach Bitters a trial.
