J. C. White. The sum of \$30,000 was appropriated to her support, the funds being derived from the rent of some property in Cincinnati amounting to \$2,100 per annum. Dr. J. B. S. Channing, of New York City, writes; "I most cheerfully comply with the request of your agent in saving I have found your Saraquarilla a most excellent alterative in the numerous complaints for which we employ such a genedy, but especially in Panale Diseases of the Scrofelous dishlessis. I have cured many inveterate cases of Leucorrheen by it, and some where the complaint was caused by alternation of the drong. The ulceration itself was some cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes, "A dangerom marrian lumor on one of the femules in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Saraquarilla. Our physician thought nothing but extipation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Morecurial Disease.

Syphilis and Moreurial Disease.

New Omeans, 25th August, 1850.

Dr. J. C. Aver: Sir, I cheerfully comply with the request of your agont, and report to you some of the effects I have realized with your Sarsaparilla.

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Tenered and Mercurial Disease. One of my patients had Syphilite inders in his threat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily takes, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon each his brain and kill him. But it yielded to my administration of your Sarsaparilla: the ulcers healed, and he is well again, not of caurse without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and hones. Sho, to, was cared entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gavo me, that this Preparation from your laboratery anust be a great remody; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours. Syphilis and Mercurial Disease.

Rheumatism, Gout, Liver Complaint. INBEFENDENCE, Preston Co., Va., 6th July, 1859.
Dr. J. C. Aven: Sir, I have been afflicted with a painful chronic Rhennatism for a long time, which builded the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarasparilla. One bettle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM. attacked. I think it a wonderful medicine. J. FREAM.

Jules Y. Gotchell, of St. Louis, writes: "I have been afficied for years with an affection of the Liver, which destreyed my health. I bried every thing, and yvery thing failed to relieve me; and I have been a broken-down man for some years from no other cause than derangement of the Liver. My beloved pastor, the Rev. Nr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Caneer Tumors, Enlargement, Ulceration, Carles and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanan, which the agents below named are pleased to furnish graits to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia. sy, Meluncholy, Neuralgia.

Many resuntable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus averones disorders which would be supposed beyond its reach. Such a remedy has long been required by the new confection of the new confection of the new confection of the new confection of the new confection. reach. Such a roundy has long been required by the ne-seculies of the people, and we are confident that this will do for them all that medicine can do.

THIS valuable preparation, freed of all the common components, such as Opiates, or Expectorants, which not only run down the system, but destroy all chance of cure, will be found on trial to possess the following properties and to which the most valuable testimonials may be found in the pamphlets.

For whooping Cough, and as a Soothing Syrup, it meets every want, and by early use will save the largest proportion of ruptures in children which can be traced to Whooping Cough.

In ordinary Caughs and Bronchial Complaints, the forerunners of Consumption, its splendid tonic properties make it not only the most perfect enemy to disease, but builds up and sustains the system against recurrence of the Complaint. No nursery should be without it, nor should parents fail to get a pamphlet, to be found with all dealers, as the only way to do justice to its value.

HIS great Neuraigic Remedy and Natural Opiate calls for special attention and interest; being free of Opium, or preparations of Opium, or of any but its strictly vogetable and medical properties. For Neuraigia, Rheumarism, Gont, Tooth and Ear Ache, Spinal Complaints. Bleeding at Lungs or Stounch. Rose or Hay Fever, Catarrh, and all minor Nervous Complaints. Rec Loss of Sieep. Chronic or Nervous Head Ache, Sick Head Ache, it has no equal, and to which we offer estimonials from undoubted sources.

For Delirium Trem us it is a Sure Remedy.

For Bowel Complaints, including Cholera Morbus, it is splendidly adapted in not only removing the pains but acting as physic, a great contrast with Opium, which not only constipates and drugs the system, but makes the remedy worse than the disease.

From physicians we ask attention, and on demand Formulas or Trial Bottles will be sent, developing in the Anodyne an Opiate which has long been wanted, and in the Cough Remedy such as rest entirely on one central principle.

From invalids we ask correspondence for Pamphlets or explanation, without 'postage-stainps.'

COMMENDATIONS:

Fro. Hon. Lewis D. Camprell, M. C., Ohio.

My family and friends all concur in the opinion that the (Newell) Picture is more life-like than any thing they ever saw. My likeness has been repeatedly taken by different Artists in various ways, but I have never yet had one which presents so true to nature, all the features and expressions of countenance as this?

From Ilon. E. Joy Morris, late Minister to Italy. The exquisite fuish, beauty and softness of your portraits, conjoined with their durability of color and faithfulness as likenesses, cannot fail to commend them to the attention and patr-mage of all who appreciate true art.
