Although the article is ve-ry cheap and simple, yet it has been put up in half pint bottles and sold very extoasively at the exhorbitant price of \$5 per bottle, the uncersigned proposes to fur-niah the recipe for the simall sum of \$1, by the posses sion of which overy lativ can supply hersolf with a per-fect asfeguard, at any drog store, for the trifting stin of 25 cents he procured of it aeffacey. MILITARY UNIFORMS.—There is, per-We were shocked to learn this morning, of the death of WILLIAM GOODHART. His disease was typhoid fever, and the sad event took place yesterday afternoon. Mr. Goodhart was cut down at the age of thirty-nine years; but death found him srmed with the shield of a pute and manly Christian faith, and Feady to yield up his spirit to "his captain, Christ, under whose colors spirit to "bis captain, Christ, under, whose colors he had fought so long." His life mirrored, with-out a stain, high honor, simple honesty, quick-hearted generosity, and a therfulness of dispo-sition that made life pleasant not only to himself, but to all who were happy enough to come with-in the range of his genial and manly qualities. He was a native of Liebanon; Pennsylvania, but had pussed most of his life in this city, where he has left a feoord which makes every friend he possessed proud to remember his companionship. MILITARY UNIFORMS .- There is, per-MILITARY UNIFORMS.—There is, per-haps, no department of military buildless in which there has been a more marked improved withit than in the clothing 'of the soldlers. Not many years thick officers and privates were clad in garments which were worthy of the name, forthoy kept the wearer in tribulation; while their padded breasts and tight sleeves made volition a matter of great difficulty. During the present war, such of our volunteers as procare their uniforms at the Brown Stone Clothing Hall of Rockhill & Wilson, Noe. 603 and 605 Chestaut street, above Sixth, Philadelphia, obtain clothing that is perfectly easy, subtantial and becoming. The firm named have found the buildings of making Military Clothing, and their facilities enable them to fill the largest orders in the shortest possible time. be has tell a record which makes every iriend he possessed proud to remember his companionship. His loss will be left in the church, in society, and, most sadly of all, at home-where he was best known and most loved, and where his high example will ever live to elevate and spiritualize those whose eyes are dim with tears to day.

**BOS'** HUNNEWELL'S COUGH REMEDY excels in one of the most important characteristics, namely, that of coutaining no materials of oplinith or antimony, which are so debilitating to weak constitu-tions. When by its perfect simplicity it is doue with the Cough or Lung Complaint its spiendid Tould quali-ties exhibit themselves in giving strength to weak syn-tems, weakened by disease, a peculiarity very impor-tant, but often lost sight of. In a proparation like the Universal Cough Remedy Hisb be found a great neces-sity for évery nuivery, arety medicine cheet, or centi-ing room, and from infancy to age it may be used with perfect impunity. See advertisement and read pam-phiet. **NOTRICE.** THE undersigned, Administrators of the estate of Dr. William Bowker, dec'd., late of Jackson township, Lebahon county, Bereby notify all persoits indebted to, ot having chima on said estate, to present them on or before the 1st of January, 1862, as the books will then be placed in the instals of a proper officer. The costs of tollection in the above case will be greater than usual, as one of the Administrators is the only Justice of the Peace in the district, and hence the seconts will have to be placed in the hands of a Justice out of the town-ship. Show them a good thirty, he its murit be theirly demonstrated, and they will not hestate to give it their most cordial pat-tomage. The masses have already ratified the judgment of a physician, concerning the virtues of HOST ETTER'S BITTERS, as may be seen by the immense quantities of this medicine which are annually sold in every section of the land. It is now recognized as greatly superior to all other remedies yet devised for diseases of the di-gestive organs, such as diarches, dysentery, dyspepis, and for the various fevers that arise from derangement of those portions of the system. Hostetter's name is rapidly becoming a household word, from Maine to Texas, from the shores of the Atlantic to the Pacific.-Try the article and be satisfied. Sold by all druggists in the world. ORPHANS' COURT SALE On Wednesday and Thursday, 4th and 5th of December, 1861. THE VALUABLE PROPERTY, known as the "OOLT BROOK FORMACE ESTATE," situated in LON PONDERRY TOWNSHIP, Lebanon county, Pa., mid-sand, and Y miles from the Cornwall Ore Banka, will be offstred at Public Sale, on the promisea. On THURSDAY, the 5h day of DECEMBER, 1861, in pursuance of an order of the Orphane' Court of Leb-anot county. Said Estate contains upwards of 1470 ACRES, - transidership Portion of which is in TIMBER, the rebit point will speak more powerfully than The consumption of Hostetter's Stomach Bit-ters for the last year amounted to over a half-million bottles, and from its manifest steady increase in times past, it is evident that diffing the coming year the consumption will reach near one million bottles. This immense unount could never have been sold but for the rars medicinal properties contained in the prepara-tion, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomnohic derangements

and the discases resulting therefrom. This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is

destined to be as cuduring as time itself. Hestetter's Stomach Bitters have preved a Godsend to regions where fever and ague. and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system; giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of hature.

Elderly persons of may use the Bitters daily as per directions on the bottle, and they will had in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuventing generally. We have the evi-dence of thousands of aged nen and women who have experienced the benefit of using this preparation while suffering from stomach de-rangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harassing that many of them sink under the trial. The relation of mother and thild is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiely for her infant. Should the period of maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and chable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers gene-rally prefer the Bitters to all other invigora-tors that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase

of bodily strength. All those persons, to whom we have particularly referred above, to wit: sufferers from fover and ague, caused by malaris, diarrhoza, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superannuated invalids; persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hes-tetter's Celebrated Stomach Bitters a trial.

CAUTION .- We caution the public against using any of the many imitations or counter-feits, but ask for HOBTETTER'S CELEBRATED STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters". blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is of the label.
