hour when she calculated on having with sticks. This extraordinary disposed of her first comers, for whose scene brought the cat of the old woreception as well as his, she arranged man of Siraf into the merchant's mind. with her attendants the necessary When he dined a second time with the preparations.

"At the expiration of the first watch of the night, the preceptor of then he let it go, and to the delight the Prince arrived. Upakosa affected of the king and his courtiers, hunto receive him with great delight; dreds of mice were laid dead about and after some conversation, desired him to take a bath, which her handmaids had prepared for him as a preliminary condition to any farther intimacy. The preceptor made not the least objection, on which he was conducted into a retired and dark chamber, where his bath was ready. On undressing, his own clothes and ornaments were removed, and in their place a small wrapper given to him, which was a piece of cloth smeared with a mixture of oil, lampblack, and perfumes. Similar cloths were employed to rub him after bathing, so that he was of a perfectly ebon colour from top to toe. The rubbing occupied the time till the second lover (the priest) arrived, on which the women exclaimed. 'Here is our master's particular friend-in, in here, or all will be discovered ;'-and hurrying their victim away, they thrust him into a long and stont wicker basket, fastennon Valley Railroad. ed well by a bolt outside, in which they left him to meditate upon his
