#### HOME AFFAIRS

Why John, where are you going to in such a hurry? Why, I am going to LAUBACH'S, in Market street

Well, John, can you tell me the reason why LAUBACH solls so much more Furniture and Chairs than all the Cabinet-makers in Lebanon together?

Yes, John, I think I can tell that reason very plainly; he has always got by far the largest and best assortments of all kinds of Furniture and Chairs on hand, which he also sells a great deal cheaper than any other Cabluet-maker; besides he has an excellent cushioned Furniture Wagon with which he delivers all Furniture and Chairs sold by him, free of charge; these I think to be very good and advantageous reasons.

As the 93d Regiment will leave for the sent of war this week, the public will please bear in mind that the best and oldest CABINET MAKING ESTABLISHMENT, in Lebanovais that of C. BROTHERLINE's. Any person in 1 th of good made work will please call on bim, before buying elsewhere. C. BROTHERLINE. Lebanon, Nov. 20, 1861.-- 6mo.

We noticed in town, last week, Lieut. John E. Rogers, Sergeants Henry G. Rise and Jno. C. Uhler, Privates C. Houser and Sam'l McKinney, and Musician Adam K. Hoss, all of the 93d Regiment.

The letter of Corporal S., was received too late for last week, and being anticipated in its matter by the other correspondents, it "goes over." We shall be pleased to hear from him soon again.

A GREAT WORK OF ART .- By handbills distributed through our borough, it will be noticed that Davis' Great American Panorama will be exhibited here on the evenings of the 6th, 7th, and 8th of January. The magnitude of this exhibition can be judged when we say that the illustrations cover 14,000 feet of canvass, consisting of upwards of one hundred scenes, embracing events of thrilling interest in the history of the country, past and present. Critics in whose judgment the public can rely pronounce it one of the wenders of the age. Of one thing thereby be driven out of the Union withouthope the public may rest assured—it is no humbug.

The great increase in the price of rugars, coffees, and teas, under the present high tariff, induces people to the discovery of substitutes for these important articles of family consumption. In the article of Coffee we have already a substitute manufactured by Messrs. Beg-NER & GRUBER, of Palmyra, Lebauon county, which apparently answers every purpose of coffee. They sent us a sample last week, and it is coffee to appearance and taste in every respect .-We are informed that it is already extensively used in the upper section of our county, and will no doubt come into general use.

Should a Teacher's authority go beyond the schoolhouse limits? Should children be compelled by law to attend Should thinted school?

Is it asking too much in return that each Teacher in the country be present during the entire session, to avall himself of the means for improvement that will be presented? It is considered needless to speak at length of the importance of Teachers' Institutes, and the good they have already accomplished. The experience of the last five years clearly demonstrates their usefulness, for it is they that have been mainly instrumental in elevating the Teacher's profession to its present position, and in bringing about the "happy Union of hearts and Union of hands" everywhere manifested in the great education cause.

It is believed that Directors would act in conformity with the best interests of the schools, by granting Teachers the privilege of attending institutes without loss of time or reduction of salary. The Directors in quite a number of districts have already granted the time. Let their good example be föllowed by every District in the courty, and where the time will not be granted it can hardly be deemed a sufficient reason for Teachers' absence.

The Hotel keepers have consented to make a liberal Teachers' absence.

The Hotel keepers have consented to make a liberal reduction in prices of fare. Ladies will be entertained gratuitously. Let there be a turn out worthy of the good cause. By order of HENRY HAUCK,
Lebanon, Dec. 11, 1861. County Superintendent.

AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you ent of order, with your system deranged, and your feelings unconfortable? These, symptoms are often the prefude to sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pilis, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous motivity, purify the system from the obstructions which make

disease. A cold settles somewhere in the bady, and obstracts its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general agravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-scated and dangerous distempers. The same purgative effect explost them. Caused by similar obstructions and derangements of the natural facetions of the body, they are rapidly, and many of then arely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

HOSTETTER'S STOMACH BITTERS.

The proprietors and manufacturers of HOS-TETTER'S CELEBRATED STOMACH BIT-TERS can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than mes of bare assertion or blazoning puffery. The consumption of Hestetter's Stomach Bitters for the last year amounted to over a halfmillion bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the prepara-tion, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom.

This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itselfs.
illustrater's Stomach Bitters have proved and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspensia and like liseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system. giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mild y but powerfully, and soon restores them to a condition essential to the healthy discharge

of the functions of nature. Elderly persons may use the Bitters daily as per directions on the bottle, and they will find n it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and reinvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach deingements and general debility; acting under the advice of physicians, they have abandened all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recupe rate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase

of bodily strength.

• All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, caused by malaria, diarrhoza, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superannuated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hos-tetter's Celebrated Stomach Bitters a trial. CAUTION.—We caution the public against

using any of the many imitations or counterbut ask for Hostetten's Celebrated STOMACH BITTERS, and see that each bottle has: he words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the # Prepared and sold by HOSTETTER &

SMITH, Pittsburgh, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, South America, and Germany.
