COMMENDATIONS:

From Hon. Lewis D. Campelle, M. O., Ohio.

My family and friends all concur in the opinion that
the (Newell) Picture is more life-like than any thing
they ever saw. My likeness has been repeatedly taken
by different Artists in various ways, but I have never
yet laid ene which presents so true to nature, all the
features and expressions of countenance as this.

From Hon. E. Jor Morris, late Minister to Italy.
The exquisite finish, beauty and softness of your portraits, conjoined with their durability of color and faithfulness as likenesses, cannot fail to commend them to
the attention and pair-ange of all who appreciate true
art.

From Col. Lawre Page

Having occasion for a portrait. I procured one from Mr. Robert Newgll, of the city of Philadelphia, a miniature in Oil Colors, under the new process discovered by him, and take great pleasure in expressing the satisfaction given me, not only by the accuracy of the likeness, but its artistic finish in all respects, and recommend him to the patronage of those disposed to encourage the beautiful art.

THE SPECIAL PILE

A SPECIFIC REMEDY FOR

Spermatorrhea, or Seminal Weakness, and

Genital Irritability in either Sex.

This Malady, the terrible consequences of which are
too well known to require more thank bars allusion to
them, is one of the most insidious, and therefore dangerous, of all the long estalogue of human fils. It saps
the very springs of life, rapidly undermines the constitution, and sinks the unhappy victim into imbecility
and a premature grave! From one to six boxes of the
SPECIFIC PILL are generally sufficient to effect a
permanent cure in the most aggravated cases, whether
Constitutionard, or arising from Abuse or Excession.

THIS valuable preparation, freed of all the common components, such as Opiates, or Expectorants, which not only run down the system, but destroy all chance of cure, will be found on trial to possesse the following properties, and to which the most valuable testimonials may be found in the pamphilets.

For whooping Cough, and as a Scothing Syrup, it meets every want, and by early use will save the largest proportion of ruptures in children which can be traced to Whooping Cough.

In ordinary Coughs and Bronchial Complaints, the forerunners of Consumption, its splendid tonic properties make it not only the most perfect enemy to disease, but builds up and sustains the system against recurrence of the Complaint. No nursery should be without it, nor should parents fall to get a pamphlet, to be found with all dealers, as the only way to do justice to its value.

THIS great Neuralgic Remedy and Natural Opiato calls for special attention and interest, being free of Opium, or proparations of Opium, or of any but its strictly vegetable and medical properties. For Neuralgia, Rhenumatiem, Gout, Tooth and Ear Ache, Spinal Complaints, Bleeding at Lungsor Stomach. Rose or Hay Ferer, Catarrh, and all minor Nervous, Complaints.
For Loss of Bleep, Chronic or Nervous Head Ache, Sick Head Ache, it has no equal, and to which we offer estimonials from undoubted sources.
For Bowel Complaints, including Cholera Morbus, it is splendidly adapted, in not only removing the pains but acting as physic, a great contrast with Opium, which not only constipates and drugs the system, but makes the remedy worse than the disease.
From physicians we ask attention, and on demand Pormulas or Trial Bottles, will be sent, developing in the Anodyne an Opiate which has long been wanted, and in the Cough Remedy such as rest entirely on one central principle.
From invalids we ask correspondence for Pamphlets or explanation, without "postage-stamps."

AYER'S CATHARTIC PILLS.

As a Family Physic. Kyom Dr. E. W. Curturight, New Oricans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathactic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

PITTSURG, Pa., May 1, 1855.

Dr. J. C. Aysn. Sir: I have been repeatedly eured of the worst headucine any bedy can have by a dose or two of your Pills. It seems to arise from a foul stomack, which they cleanse at once.

Bilious Disorders - Liver Complaints. From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperiout, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious constants than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperionts? I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bitions dysentery and discribed. Their sugar-coating makes them very acceptable and convenient for the use of women and children. Dyspepsia, Impurity of the Blood.

WARRAW, Wyoming Co., N. Y., Oct. 24, 1855.

DEAR Six: I am using your Cathartic Fills in my practice, and find them an excellent purgative to cleane the system and purify the fundations of the blood.

Constipution, Costiveness, Suppression,
Rhermatism, Gout, Neuralgia, Dropsy, Faralysis, Fits, etc.

From Dr. J. 2: laughn, Montreal, Canada.

Too much cannot be said of your Pills for the cure of
costiveness. If others of our fraturally have found them
as efficacions as I have, they should join he in proclaiming it for the benefit of the multitudes who suffer from
that complaint, which, although had enough in itself, is
the progenitor of others that are worse. I believe costiveness to originate in the liver, but your Pills affect that
organ and cure the disease.

I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel warms. They are so much the best physic we have that I recommend no other to my patients. Room the Rev. Dr. Hawkes, of the Methodist Epis. Church.
