NOT THAT MAN BUT ANOTHER MAN. -An incident occurred during the recent sitting of an ecclesiastical body in this city, which we cannot refrain from giving to our readers, although it partakes rather more of a profane than a sacred nature. A worthy member of the body referred to, met a gentleman on the street, and mistaking him for a brother clergyman, ran forward and clasped him by the hand exclaiming, in the fervor of religious enthusiasm---

"Dear brother M-, I am truly glad to see you: how prospers the good cause in your section !"

The gentlemen thus addressed, who happened to be a Cincinnati merchant, supposed his newly found friend to be a gentleman to whom he had been introduced a few days previous on 'Change in Toledo, promptly replied to the question propounded-

"My dear fellow, things down our way just now are most damnably mixed.— Whisky has got the blues, oils are picking up a little, but the hog market has got its back broke!"—Detroit Tribune.

COMMENDATIONS:

From Iton. Lewis D. Campelle, M. C., Ohlo.

My family and friends all concur in the opinion that the (Newell) Picture is more life-like than any thing they ever saw. My likeness has been repeatedly taken by different Artists in various ways, but I have never yet had one which presents of true to nature, all the features and expressions of countenance as this.

From Hon. E. Jor Morris, late Minister to Italy.

The exquisite finish, beauty and softness of your portraits, conjoined with their durability of color and faithfulness as likenesses, cannot fail to commend them to the attention and patrenage of all who appreciate true art.

THIS valuable preparation, freed of all the common components, such as Opiates, or Expectorants, which not only run down the system, but destroy all chance of cure, will be found on trial to possess the following properties, and to which the most valuable testimonials may be found in the pamphlots.

For whooping Cough, and as a Soothing Syrup, it meets every want, and by early use will save the largest proportion of ruptures in children which can be traced to Whooping Cough.

In ordinary Coughs and Bronchial Complaints, the forerunners of Consumption, its splendid tonic properties make it not only the most perfect enemy to disease, but builds up and sustains the system against recurrence of the Complaint. No nursery should be without it, nor should parents fall to get a pamphlet, to be found with all dealers, as the only way to do justice to its value.

THIS great Neuralgic Remedy and Natural Opiate Cails for special attention and interest, being free of Opium, or preparations of Opium, or of any but its strictly vegetable and medical properties. For Loss of Sleep, Chronic or Nervous Head Ache, Sick Head Ache, it has no equal, and to which we offer estimonials from undoubted sources.
For Belirism Tremens it is a Sure Remedy.
For Bowel Complaints, including Cholera Morbus, it is splendidly adapted, in not only removing the pains but acting as physic, a great contrast with Opium, which not only constipates and drugs the system, but makes the remedy worse than the disease.
From physicians we ask attention, and on demand Formulas or Trial Bottles will be sent, developing in the Anodyne an Opiate which has long been wanted, and in the Cough Remedy such as rest entirely on one central principle.

J. C. Aren & Co. Gents: I feel it my duty to ach nowledge what your Sarsaparilla has done for manhaving inhorited a Scrofulous infection, I have auffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it, broke out on my head and covered my scalp and cars with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. It fact, the disorder grow worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that my thing you made must be good. I sent to Cincinnatiand got it, and past it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a mouth, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the discass has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apottles of the age, and remain ever gratefully.

I have cured many inveterate cases of Leucorrhoen by it, and some where the complaint was caused by ulceration of the ulcers. The ulceration itself was soon cured. Nothing within my knowledge equals it for these famule derangements."

Edward S. Marrow, of Newbury, Ah., writes, "A dangerons contran tumor on one of the founded in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Syphilis and Mercurial Disease.

New Orleans, 25th August, 1859.

Dr. J. C. Afer: Sir, I chesfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla.

I have cured with it, in my practice, most of the complaints for which it is recommended, and have faind its effects truly wonderful in the cure of Feneral and Mercurial Disease. One of my patients had Syphilitic ulcers in his throat, which were consuming his painte and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his mose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in heribones. They had become so sensitive to the weather that on a damp day she suffered excursioning pain in her joints and hones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a givest remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours. G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint. Syphilis and Mercurial Disease.

Rheumatism, Gout, Liver Complaint.

A great variety of cases have been reported to us where curves of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanne, which the agents below named are pleased to formish gratis to all who call for them.

Many remarkable cares of these affections have been made by the alterative power of this medicine. It atimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed-beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

of the Disease.

This is a renedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the jitues that it did have when making the curse which have won so strongly upon the confidence of mankind.
