Lebunón May 22, 1861. THIS valuable preparation, freed of all the com-mon components, such as Opiates, or Expectorants, which not only run down the system, but destroy all chance of cure, will be found on trial to possess the fol-lowing properties, and to which the most valuable testi-monials may be found in the pamphlets. For whooping Cough, and as a Soothing Syrap. It meets every want, and by early use will save the largest propation of apptares in children which can be traced to whooping Cough. In ordinary Coughs and Bronchial Complaints, the forerunners of Consimption, its splendid tonic proper-ties make it not only the most perfect onemy to discuss, but builds up and sustains the system against recur-rence of the Complaint. No nursery should be without it, nor should parents fail to get a pamphlet, to be found with all dealers, as the only way to do justice to its value.

Fancy Furs! Fancy Furs!!

THIS great Neuralgie Remedy and Natural Opiato calls for special attention and interest, being free of Opium, or preparations of Opium, or of any but its strictly vegetable and medical properties. For Neural-in, Rhemsatism, Gout, Tooth and Ear Ache, Spinal Complaints. Bleeding at Lungs or Stomach. Rose or Hay Perer, Catarrih, and all minor Nervous Complaints. For Loss of Sleep, Chronic or Nervous Head Ache, Sick Hoad Ache, it has no equal, and to which we offer estimonials from undoubted sources. For Deliriwin Tremens it is a Sure Remerly. Tor howel Complaints, including Cholera. Morbus, it is splendially adapted, in not only removing the pains but acting as physic; a great contrast with Opium, which not only constipates and drugs the system, but markes the remedy worse than the disease. From physicians we ask attention, and on demand Formulas or Trial Bottles will be sent, developing in the Anodyne an Opiate which has long been wanted, and in the Congh Remedy such as refs entirely on one central principle. ust. My family and friends all concur in the opinion that the (Newell) Picture is more life-like than any thing they ever saw. My likeness has been repeatedly taken by different Artists in various ways, but I have never yet had ene which presents so true to rature, all the features and expressions of countenance as this. From Hon. E. Jor Monants, inte Minister to Haly.
