

CRACK PRINCIPLES CEASE TO LEAD. WE ORAS WM. M. BRESLIN, Editor and Proprietor. LEBANON, PA. WEDNESDAY, MARCH 12, 1862.

169. The Courier is unwilling to very well that we made no such condition. But we are accommodating, and will enlarge our question :--

Is the Courier in favor of the Untion as it was, with Jeff Davis, Breck finridge and Floyd fled, transported or hung?

Now do let us have a straight up and down yes or no.

"Plain common scnse, it seems to us, would dictate the prompt disfranchisement of a man whose loyalty could not be proven."-Courisr.

We presume the Courier did not mean to say the above, yet how true it is of the action of its party .---The disloyalty of Bright was not proven, according to a majority of the Committee that investigated the charges against him in the United States Senate, and yet they ex- fact that persons at a distance, who pelled him; the disloyalty of Starke are attempting to hold correspondwas not proven, according to a ma. ence with their friends in the army jority of the Senate itself yet many in Kentucky, continue to indulge in Republicans would deny him ad- to the camps at which they suppose mission to his seat. They would their correspondents are guartered.expel dozens of other Democrats, We would again remind such persons because they are such, from Con-

## value to the State and private persons concerned than are the institutions and property in it, in the present aspect of af-

to Oil City, when it falls into the Al- bility to my God and to my Country, I

dispensable means to this end. A practical re-acknowledgment of the national auty thousand men, having been largely re- thority would render the war, unnecessa ry, and it would at once cease. If, howver, resistance continues, the war must also continue, and it is impossible to foresee all the incidents which may attend, and all the ruin which may follow it.-
