Away went the host to obey these foreign orders, without a remark louder than he thought in his own mind of Blood and 'ounds, an' that is quare taste sure enough.' O, to be sure ye shall, your honor,an' welcome-more and more if you like dt."

On went the week, and each day was the untiring taste of the epicurian tourist supplied with 'more peegeon.' Saturday came, and with it came the faltering host. . 'O, thin, what will yer honor have for dinner to-morrow-Sunday, yer know ?' 'Peegeon ver fine !' cried the Frenchman, smacking his lips. 'You any more

"Well, our pusheens will fly at ye, too, if ye thread on their tail,

A light here gleamed in upon Paddy's knowledge box. 'O, by my soul and conscience, I believe 'twas pigeons yer honor wanted ?'

'Oui, oui-to be sure, my friend.'

'Ah, thin, why can't you French people larn to talk plain ? Sure, you do eat such quare things as frogs, snalls, and rats, bad luck to me if I saw anything strange in yer calling for little cats?

'Leetel cats ! I have eat one, two-zix lectel cats !'

'Not a doubt of it.'

The grimace which followed the certainty of this fact may be more easily imagined than described. The Frenchman quickly packed up, and as quickly made away from a country that knew no difference between cats and pigeons. We do not know whether he ever- published his 'Thoughts upon Irish Miseries;' if so they were never translated.
