Burnside Victorious at Newbern, North Carolina.

BALTINORE, March 18 .- The steamer Commodore arrived here this morning diect from Gen. Burnside's expedition. She brings the announcement of the capture of Newbern, North Carolina, and the defeat of the rebels there, with the capture of a large number of artillery, after hard fought battle.

Our loss at Newbern was about 90 killed and 400 wounded. Our men displayed great bravery.

Newbern is a town of about 4500 inhabitants, situated at the confluence of the Neuse and Trent rivers. It had, before the war broke out, a large trade in lumter, turpentine, tar, naval stores, &c. It is the county seat of Craven county. A railroad runs from Newbern to Golds-

borough, fifty-nine miles distant, intersecting there the main railroad uniting Weldon and Wilmington, N. C. Gen. Burnside having moved in this di-

rection, is not in any danger of attack from the rebel army that has been conven-trating at Suffolk, Va. The capture of Newbern makes it cer:

tain that the town of Beaufort, N. O., can easily be taken, together with Fort Macon, the strong work constructed for its de-fence by the Federal Government. There is a railroad from Newbern to Moorehead most entirely the growth of the last City, opposite Beaufort, the distance be-
