A COLORED FALSTAFF.

A Western correspondent on one of the Mississippi gun-boats gives the following account of a spicy conversation with a

philosophical colored man:-I noticed upon the hurricane deck today an elderly darkie with a very philosophical and retrospective cast of countenance, squatted upon his bundle toasting his shins against the chimney, and apparently plunged into a state of profound meditation. Finding upon inquiry that he belonged to the Ninth Illinois, one of the most galiantly behaved and heavily losing regiments at the Fort Donelson battle, and part of which was aboard, I began to interrogate him upon the subject .--His philosophy was so much in the Falstaffian vein that I will give his views in his own words as near as my memory serves me:---

'Were you in the fight?' 'Had a little taste of it, sa.' 'Stood your ground, did you?' 'No, sa, I runs.'

'Run at the first fire, did you!' 'Yes, sa, and would hab run soons, hab I knowd it war comin.'

Why, that wasn't very creditable to your courage !

'Dat isn't in my line, sa-cookin's my porleshun. •Well, but have you no regard for your reputation?

Reputation's nuffin to me by the side ob life." 'Do you consider your life worth more

than other people's?' 'It's worth more to me, sa'

Then you must value it very highly? Yes, sa, I does-more dan all dis world -more dan a million ob dollars, for what would dat be wuth to a man wid de bref out him? Selfpreserbashum am de fust law wid me.'

But why should you act upon a different rule from other men? Because different men sets different

values upon dar lives-mine is not in the But if you lost it, you would have the satisfaction of knowing that you died for

vour country.' What satisfaction would dat be to me when de power ob feelin' was gone?' 'Then patriotism and honor are nothing

to you? 'Nuffin whatever, sa-I regard dem as among de vanities.'

If our soldiers were like you, traitors might have broken up the Government without resistance."

'Yes, sa, dar would hab been no help for it. I wouldn't put my life in the scale 'ginst any Gobernment dat eber existed. for no Gobernment could replace de loss to me.'

'Do you think any of you Company would have missed you if you had beer killed ? 'May be not, sa-a dead white mar ain't much to dese sojers, let alone a dead

nigga-but I'd a missed myself, and dat was de pint wid me.' It is safe to say that the dusky corpse

of that African will never darken the field of carnage. GENERAL McCLELLAN.

The Rochester Union relates the following anecdote, which it heard some two months ago :-

some of the civil 'Generals' of the 'Forward to Richmond' and irrepressible. HENRY & STINE'S school called on McClellan to urge him to tiently, of course. They finally asked him. General, can't von take M 'Yes, I could take it; but it would probably cost one-third of the entire attacking force.' But, you could take it? 'Oh. yes; I am confident I could take it at that cost.' 'Then why don't you take it at whatever cost?' 'Because I can get it at the whatever cost?' 'Because I can get it at the whatever cost?' 'Because I can get it at the whatever cost?' 'Because I can get it at the whatever cost?' 'Because I can get it at the whatever cost?' 'Because I can get it at the whatever cost?' 'Because I can get it at the whatever cost?' 'Because I can get it at the whatever cost?' 'Because I can get it at the whatever cost?' 'Because I can get it at the cost.' 'Then why don't you take it at the whatever cost?' 'Because I can get it at the cost.' 'Then why don't you take it at the cost.' 'Then why don't you take it at the cost.' 'Because I can get it at the cost.' 'Because I can get it at the cost.' 'Then why don't you take it at the cost.' 'Because I can get it at the cost.' 'Because I can get it at the cost.' 'Then why don't you take it at the cost.' 'Then why don't you take it at the cost.' 'Because I can get it at the cost.' 'Then why don't you take it at the cost.' 'Then why don't you ta whatever cost?' 'Because I can get it at a much cheaper rate!

KILLED AND WOUNDED IN THE WAR OF 1812.—From an article in the New York Historical Collections, prepared by Wm. Jay, Esq., mostly from official sources.-It appears the whole number of Americans killed and wounded during the war of 1812, extending from June 1812 to March 1815, was 7738; of these, 2816 were of the number killed; this includes both the naval and land forces. The largest number in the naval forces was at the engage. ment between the Chesapeake and Shannon, where the number of Americans killed and wounded was 145, and the British 85. At the battle of New Orleans there was 52 Americans and 2074 British killed and wounded. The Americans appear to have suffered most at the battle of Bridgewater, where they had 743 killed and wounded, and the British 643 In the various skirmishes among the In-

DARKEY HAPPINESS.—The happiest man in the world is supposed to be a "nigger at a dance." A darkey may be poor but he is never low spirited. Give him a dollar, and in less than an hour he will lay seven shillings of it out in yellow neckties or a cracked violin. There is something

or a cracked violin. There is something in the African that sheds trouble as a duck will water. Who ever know a "collud pussun" to commit suicide! The negro is strongly given to love and jealously; but he has no taste for arsenic.

During the whole war the whole number of British killed and wounded is put down at 8774, of which 2560 were among the killed.

Let us take, upon this question, the testimony of one of the most devoted as well as most efficient friends of the Union:

"The worst enemies of the Constitution are those whose constant cry is for the blood of the rebels and the confiscation of their estates, with the emancipation of the slaves, and who, to reach their purposes, would trample the Constitution, the rights

AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prefude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pilis, and cloanse out the disordered humors—purify the blood, and let the fluids neve on unobstructed in health again. They stimulate the functions of the body into signorus activity, purify the system from the obstructions which make disease. A cold settles somewhere in the bedy, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-sented and dangerous distempors. The same purgative effect oxpels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them arriely; cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from oblier well known public persons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856. From a Forwarding Meridant of St. Loads, Feb. 3, 1836.

Dr. Arra: Your Pills are the paragon of all that is great in medicine. They have enred my little daughter of ulcerous seres upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

As a Family Physic. From Dr. E. W. Carturight, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we foosess. They are mild, but very certain and effectual in their action on the lowels, which makes them invaluable to us in the daily treatment of diseases.

Hendache, Sick Headnche, Foul Stomach From Dr. Edward Boyd, Ballimore. DEAR line. Arth: Leaving answer you what complaints I have curred with your Pills better than to say all that we ever treat with a puryative middline. I place great dependence on an effectual cathactic in my daily contest with disease, and believing as I do that your Pills afford, us the best we have, I of course value them highly.

Dr. J. C. Ayra: Sir: I have been repeatedly eured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. PREBLE, Clerk of Steamer Clarion.

Billious Disorders - Liver Complaints. Billous Disorders — Liver Complaints.

From Dr. Theodore Bell, of Now Fork City.

Not only are your Fills admirably adapted to their purpose as an apericut but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one romedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

thy the confidence of the profession and the people.

DEPARTMENT OF THE INVENIOR,
Washington, D. C., 'th Feb., 1856. }

Size: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of billows disease so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M.D., Physician of the Marine Hospital. Dysentery, Diarrhea, Relax, Worms.

From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their afterative effect upon the liver makes them an excellent remedy, when given in small doses for billous dysentery and discriban. Their sugar-coating makes them very acceptable and convenient for the use of women and children. Dyspepsia, Impurity of the Blood.

Dyspepsia, Impurity of the Blood.

From Rev. J. V. Himes, Rustor of Advent Church, Boston.

Dr. Ark: I have used your Fills with exfraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

WARSAW, Wyoming Co., N. Y., Ost. 24, 1855.

DEAR SIR: I am using your Cathartic Fills in my practice, and find them an excellent purgative to cleanes the system and purify the foundains of the blood.

JOHN G. MEACHAM, M. D.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.

From Dr. J. P. Vaupin, Montral, Conada.

Too much caused be said of your Fills for the curs of costiveness. If others of our frateruity have found them as effectious as I have, they should join me in proclaiming it for the benefit of the multifudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe costiceness to originate in the liver, but your Fills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston. I find one or two large doses of your Fills, taken at the proper time, are excellent promotives of the ratural scretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best playsic we have that I recommend no other to my patients. From the Rev. Dr. Hawkes, of the Methodist Epis. Church.

Printe her. Dr. Hawkes, of the Mellodist Epit. Church.

Printer House, Espannala, Ca., Jan. 6, 1856.

Howoned Sir: I should be ungrateful for the reliaf your skill has brought me if I did not report my case to you. A cold setted in my limbs and brought on excrusiating neuralgic pains, which ended in chronic rheumanism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persovering in the use of them, I am now entirely well.
