The Advertiser: TERMS, - - - - - \$1 50 A YEAR LEBANON, PA. WEDNESDAY, APRIL 23, 1882. HOME AFFAIRS.

Why John, where are you going to in such a hurry?

Why, I am going to LAUBACH'S, in Markot street, to buy a nice lot of Furniture. Well, John, can you tell me the reason why LAUBACH sells so much more Furniture and Chairs than all the

Cabinet-makers in Lebanon together ? Yes, John, I think I can tell that reason very plainly he has always got by far the largest and best assortmonts of all kinds of Furniture and Chairs on hand which he also sells a great deal cheaper than any other Cabinet-maker : besides he has an excellent cushioned Furniture Wagon with which he delivers all Furniture and Chairs sold by him, free of charge; these I think to be very good and advantageous reasons.

As the 93d Regiment will leave for the seat of war this week, the public will please which they wish to donate will please send them bear in mind that the best and oldest CABINET MAKING ESTABLISHMENT, in Lebanon, is Treasurer, Lebanon borough, or to Mrs. Geo. Hoffthat of C. BROTHERLINE's. Any person in want of good made work will please call on him, before buying elsewhere. C. BROTHERLINE. Lebanon, Nov. 20, 1861 .- 5mo.

SAD CALAMITY.-On Tuesday of last week a large boat containing a number of officers and privates of the 75th Penneylvania Regiment, Bohlen's Gorman Regiment, (Bank's Division,) was swamped at Castleman's Ferry, on the Shenandoah River, and Capt. Wilson, Capt. Ward, and 45 privates were drowned. Among the privates drawned we are pained to record a resident of this place-FREDERICK URBAN, a member of Bohlen's Regiment. He leaves a wife, and we think, six children. He was a German by birth, and a stone mason by occupation, but in gommon with our patriotic adopted citizens he volunteered last summer to defend the stars and stripes against rebellion.

There will be opened this week a large and cheap stock of Spring Goods at the Bee Hive Store of J. George. The public are invited to see it.

Mr. JOHN FARREL is about finishing a beautiful Monument of Lebanon County Marble. Persons who take an interest in the development of the resources of this county should call to see it. We have a number of Marble quarries, of a superior quality, within our borders, and it requires only capital and enterprise to make us as famous in this line as we are in that of Iron. The Marble at present worked by Mr. Farrel is obtained about three miles to the south of Lebanon, in Cornwall township, and is

of the compact variety, susceptible of a superior polish, while it is at the same time the very thing for building purposes. Mr. Farrel has expended a considerable sum of money in opening this quarry, and as it is as beautiful, can be furnished cheaper, and is vastly more durable than any imported Marble, it certainly should receive more notice from those requiring anything in the marble line as well as from the public at large. We have seen specimens of marble from other sections in this county, one of which, if we remember right, is from the farm of Hon. Wm. Rank in Swatara township, which are as beautiful and compact as any marble in the world. But of what use is it in the ground. It must be brought out. The attention of the public must be called to it, or the public will continue to go to the quatries of Carrara, seven thousand miles, while as pretty and infinitely more durable article is at their very doors. If our marble quarries are many article is rinth confirms the previous reports concerning the magnitude of the enemy's force. The fact is only worthy of notice because the city has for the last six years gone Republican by a majority of from 800 to 2,000, and there was a straight issue, both candidates being good men.
