## THE CORNER.

## THE FEDERAL TAX BILL.

As almost everybody and everything is taxed in the Bill now before Congress for raising a War Tax, it is no wonder that members are constant. ly button-boled on the subject whenever they show themselves in the street in Washington .--Almost every trade or profession has its commit-'tee or agent down here, who are working like beavers to get some particular in the Bill modified. In consequence of this state of things the Committee of the House of Representatives resolved, some time ago, to suppress from the public eye all new features which they might introduce. When the suppressed items come to be known, and the Bill it presented to the people in all its length and breadth, it will doubtless open some folks, eyes 'as big as surcors.' A correspondent of the Sunday Mercury sends to that pape what purports of the Bill, which, he intimates, the censor of the press has thus far regarded as "contraband." We certainly have seen nothing of the kind in the telegraphic report from Washington ; and if the Bill really contains the astonishing items which he gives, there is no doubt that it will produce a profound sensation in every well-regulated family.

Headache, Sick Headache, Four Stomath-From Dr. Edward Boyd, Ballmore, Dear Buo, Arne: I cannot answer you what complaints I have cursed with your Pills better than to say all that we ever trient with a purgative medicine. I place great depen-dence on an effectual extinuitie in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly. Billous Disorders-Liver Complaints.

From Dr. Thendore Bell, of New York City.

From Dr. Instance Bar, or here fork one. Not only are your Pills admirably admired to their pur-pose as an aperient, Int I find their bonoficial effects upon the Liver very marked indeed. They have in my prac-tice proved more effectual for the cure of bilious com-plaints than any one remedy I can moniton. I sincerely rejoice that we have at length a purgative which is wer-thy the confidence of the profession and the people.

thy the confidence of the profession and the people. DEPARTMENT OF THE INTERIOR, Weshington, D. C., Tah Keb., 1856; Srn: I have used your Fills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regu-lating action on the liver is quick and decided, conse-quently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of billous disease so obstimute that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D., *Thysician of the Marine Hospital*.

Dysentery, Diarrhea, Relax, Worms.

Dyschlery, Diarrheea, Relax, Worms. *Now Dr. J. G. Green, of Chicago.* Your Fills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes-them an excellent remedy, when given in small doses for billous dysculery and durrheu. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.

Dr. Avan. I have used your Pills with extraordinary success in my family and among those I au called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

WARSAW, Wyoming Co., N. X., Oct. 24, 1855. DEAR Stn : I am using your Cathartic Fills in my prac-tice, and find them an excellent purgative to cleans the system and purify like foundations of the blond. JOHN G. MEACHAN, M. D.

Sourie G. MEACHAN, M. D. Constipution, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Drop-sy, Paralysis, Fits, etc. From Dr. J. P. Vangin, Montreal, Canada. Too much canage bo said of your Fills for the cure of costingness. If others of our fraternity have found them as efficients as I have, they should join me is proclaim-ing it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the pregenitor of others that are worse. I believe cos-tiveness to originate in the liver, but your Fills affect that organ and cure the disease.

Notwithstanding I had the best of physicians, the disease grow worze and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackeinzie, I tried your -Pills.
