FUNERAL SERVICES .- Jacob Hollinger, late of Myerstown, was killed in one of the battles before Richmond, and owing to the retreat of our army the recovery of his body was impossible. Ceremonies in respect to his memory will-take place at Myerstown, on next Sunday, at 2.0 clock, P. M., when a funeral dissourse will be preached in the Lutheran church. Myerstown Lodge of I. O. of O. F. will participate in the ceremonies. Invitations have also been m the ceremonias. Invitations have also been extended to the other Lodges in the county.—
Mr. Hollinger was much respected where he was known, and was a brave and efficient soldier. \*

Quite a number of our cotemporaries have notices in staned "Rev. Edward H. Wilson," "Thomas F. Chapman," &c., for which they will never receive our cent, unless paid in advance. Some may suppose pay in prospective because they received them through certain advertising agencies, but that is also a mistake, as the

whole operation is bogue.

In this connexion we would merely state that if the New York advertising agencies of Mather & Abbott or J. J. Bonnet & Co., wish any more advertising done in the Language Adventises they will pay in advance for the same.

As we life now to have a postage stamp currently, it may appropriately be named sticking-paster, instead of shin-plaster, as the small note currency was named heretofore.

As there will soon be plenty of taxcollectors and Assessors to be appointed by the government, we propped that wounded and disabled soldiers be put in the positions.

"Is Slavery Condemned by the Bible, or Prohibited by the Constitution?" This is the title of an ably written pamphlet in the German language, written by Dr. Jacob Horlacher of Union county, to whom we are indebted for a copy. The Bostor yesterday passed through on his way to Allentown, where he contemplates issuing an English edition of his work. As the Dr. stands by the Constitution and the Bible, his work will doubtless command an extensive sale among his Democratic friends.

He has been stationed at Fortress Monroe, where his duties were so onerous that his health gave way under them. He hopes for w speedy recovery, so as to be enabled to go to work again.

Capt. Henry A. The winter grain, wheat and rye, looks well in this county; oats also look very promising. The Corn is back some on accept of the late spring. We had cold and wet, and therefore Corn was not planted so early as formerly. In general our harvest and every thing growing is about two weeks later than usual. The hay crop will not be as heavy as last year.
