WEDNESDAY, JULY 30, 1862. HOME AFFAIRS.

Why John, where are you going to in such a hurry?

Why, I am going to LAUBACH'S, in Market street, to buy a nice let of furniture.

Well, John, can you tall me the reason why LAUBACH sells so much more Furniture and Chairs than all the Cabinet-makers in Lebanon together?

Yes, John, I think I can tell that reason very plainly he has always got by far the largest and, best assortments of all kinds of Furniture and Chairs on hand, which he also sells a great deal cheaper than any other Cabinot-maker; besides he has an excellent cushioned Furniture Wagon with which he delivers all Furniture and Chairs sold by him, free of charge; there I think to be very good and advantageous reasons.

Particular care should be used to kings that Pregnancy is not the cause, as the Drops would surely produce an effect entirely contrary to the course of nature, for which I will not hold myself responsible. These Drops are so mild and pleasunt, that the feeblest can take them with perfect security, yet so powerful in their effects, that they may be safely called a never failing Regulator. They can be procured by addressing me as directed below. I have used this medicine for the tast tweire years in my practice, and therefore well know its merits. Sold by all Druggists.
