## WEDNESDAY, AUGUST 13, 1862.

HOME AFFAIRS. Why John, where are you go-

ing to in such a hurry?

Why, I am going to LAUBACH'S, in Market street, to buy a nice lot of Farniture.

Well, John, can you tell me the reason why LAUBACH sells so much more Farniture and Chairs than all the Cabinet-makers in Lebanon together?

Yes, John, I think I can relithat reason very plainly he has always got by far the largest and best assortments of all kinds of Furniture and Chairs on hand, which he also sells a great deal cheaper than any other Cabinet-maker; besides he has an excellent cushioned Furniture Wagon with which he delivers all Furniture and Chairs sold by him, free of charge; these I think to be very good and advantageous reasons.

By reference to the notice in another column, it will be seen that the Philadelphia and Reading R. R. Company, will keep open the sters are forbidden to come, by law; omnirespective situations for any of their employees | bases will not be permitted to come to the again upon their return. This is an honorable gers. and patriotic proposition.

A military meeting was held in the Court House, on Friday evening, at which Rev. Dr. Harbaugh presided. He made a short address, more practical and to the point than any we have listened to since the present troubles have come over the country. Would that all our speakers and writers would exercise a little more good sense and judgment, and not fly off the handle and into party, as they are too apt to do. Everybody present seemed to endorse the sentiments of the Rev. gentlemen.

Lebanon county promptly responded to the requisition of the Governor for two companies for nine months. The Company recruited by Lieut's Daugherty and Long was filled on Friday and left for Harrisburg that evening.-They are a fine body of men and will stand fire. FOR FEMALES.

This valuable medicine is now offered to the American Ladies as the only sure, positive, and never-failing cure and regulator of suppression of nature, from whatever cause. Particular care should be used to know that Pregnancy is not the cause, as the Drops would surely produce an effect entirely contrary to the course of nature, for which I will not hold myself responsible. These Drops are so mild and pleasant, that the feeblest can take them with perfect security, yet so powerful in their effects, that they may be safely called a never failing Regulator. They can be procured by addressing me as directed below. I have used this medicine for the last twelve years in my practice, and therefore well know its merits. Sold by all Druggists.
