ACKNOWLEDGMENT .- The Ladies' Aid Society of Lebanon has received a letter from Dr. Simington, Surgeon of the 93d, acknowledging the receipt of a box containing articles to eat and wear. A letter has also been received by the same society from Dr. Stuart, Philadelphia, acknowledging the reception of two boxes, which he says "were forwarded a few days since to Baltimore, where they are in need of just such articles." Dr. Simington writes that his health is very bad, and that he has sent in his resignation.

Cures have been made which surpass belief were they not sub-stantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others

have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afficied, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints: certificates of their cures, of the following complaints;—
Costiveness, Bilious Complaints, Rheumatism, Dropsy,
Heartburn, Headache airising from a foul stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Pain
nrising therefrom, Flatulency, Loss of Appetite, all Ulcerous and Cutaneous Diseases which require an eracuant
medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many
complaints which it would not be supposed they could
reach, such as Deafuess, Partial Blindness, Neuraigia and
Nervans Erritability, Derangements of the Liver and Kid-Nervous Irritability, Derangements of the Liver and Kid-neys, Gout, and other kindred complaints arising from a law state of the body or obstruction of its functions. Do not be put off by unprincipled dealers with some other pill they make more profit on. Ack for Axen' Pills, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for thom,

and they should have it. Prepared by Dr. J. C. AYER, Practical and Analytical Chemist, Lowell, Mass.
