FOR FEMALES. This valuable medicine is now offered to the Ameri-can Ladies as the only sure, positive, and never-failing cure and regulator of sappression of nature, from whatever cause. Particular care should be used to know that Pregnancy is not the cause, as the Drops would surely produce an effect entirely contrary to the course of nature, for which I will not hold myself re-spoushle. These Drops are so mild and pleasant, that the feeblest can take them with perfect security, yet so powerful in their effects, that they may be safely called a never failing Regulator. They can be procured by addressing me as directed below. I have used this med-icine for the last twelve years in my practice, and there-fore well know its merits. Sold by all Druggists. DR. JOHN L.
