Trench Periodical Props

FOR FEMALES.

This valuable medicine is now offered to the American Ladies as the only sure, positive, and never-failing cure and regulator of suppression of nature. from whatever cause. Particular care should be used to know that Prepacacy is not the cause, as the Drops would surely produce an effect entirely contrary to the course of nature, for which I will not hold myself responsible. These Drops are so mild and pleasant, that the feeblest can take them with perfect security, yet so powerful in their effects, that they may be safely called a never failing Regulator. They can be procured by addressing me as directed below. I have used this medicine for the last twelve years im my practice, and therefore well know its merits. Sold by all Druggists.
