WHEN DEMOGRATIC PRINCIPLES CHASE TO LEAD, WE CEASE 'TO FOLLOW." WM. M. BRESLIN, Editor and Proprietor. LEBANON, PA. WEDNESDAY, JANUARY 20, 1864.

A visit to Philadelphia, last week, convinced us that the abolitionists will again run Old Abe for the Presidency, if they condescend at sition. The sympathetic plea of the all to hold an election ; and that the peoples' and soldiers' candidate in opposition to him will be Gen. McClellan. The enthusiasm for him among all classes, save the fanatics, office holders and contractors, is most intense and has no competition.

15. At a meeting of the National Democratic Committee, held in New York, January 12, 1864, it was unanimously voted that the next National Democratic Convention, for the purpose of nominating candidates for the Presidency and Vice Presidency of the United States be held at Chicago, Illinois, on Monday, July 4, 1864. By a vote of the Committee, at a meeting held September 7, 1863, the number of delegates for each State was fixed at double the number of its electorial vote.

INVESTIGATION STIFLED.-In the

House at Washington, on the 11th, Mr. Fernando Wood offered a preamble and resolutions setting forth that there had been accusations made against the official integrity of Major General B. Butler; and that recent disclosures show that in the Custom Houses of New York and other branches of the Treasury Department the revenue has been defrauded, and treasonable aid given to disunionists; and calling for a committee of nine to investigate these alleged corruptions. On Mr. Thad. Stevens' motion, any State beretofore in revolt, within which re-sistence to the authority of the Government shall cease, should be allowed, through the vote of a majority of its electors, to resume its former status and functions in the Union, would promptly draw to the cause of the Union thou-ardministration; but now, any moveadministration; but now, any movement to the same end, is unceremoniously voted down.
