the noterns the one he had paid to Mr. Preston, not only the initials of the tenant, but by his own in minute letters and in red ink, with the date appended, which he had made on its receipt on the face of the note, and which would escape notice except npon close inspection.

When the optician took the stand I turned to look for Van Buren, but that worthy gentleman had left the court room. The note was promptly identified as one paid out on check at the Jersey City Bank.

Ischat all?" asked Damarest maliciously, for he had thought I had shot my bolt.—The jury which begen to sympathize with us looked their disappointment.

I felt annoyed. Marsh had not returned and I hastily began to think from which they hail, they having of some plan to delay matters until already been credited to the Governhe brought in the witness. In my embarrassment I took up the receipt which lay on the table, and happening to turn it in such a way that the cruits. The government bounty to light fell upou, it at an acute angle, I saw something that startled me.

. Before I had time to announce my discovery and comment upon it Marsh touched me, and whispered in my ear. I turned. His face was jubilant in the extreme.

'If it pleases the court,' I said, 'we have not quite done. There is another witness. I propose to examine the receiving teller of the Jersey City Bank.

The teller was placed on the stand He identified the note—his own private mark having been placed on it. He had received it, as it was current in the bank though not in New York. It should, however, have been sent making the exchange. It must have been paid out inadvertently. Do you know,' I inquired, 'from

whom you received it?" Yes, sir. It was deposited along with sixteen hundred dollars in New York funds of the fifth of November last, by Aleyn Van Buren.

Before the sensation bad subsided I made another communication which increased it.

Now, said I, if the court and jury will examine this receipt, by holding it in an angle to the light thus'-and dark line which the ink and acids that removed it made, by the contrast with the surrounding smooth surface of the paper: and they make out rather plainly the signature of Clarance Preston.

The examination verified my state-

One of the jury now arose and addressed the court.

Tam an analytical chemist by pro fession, said he. 'If that signature rased by acid, I think I can restore it, maws. if you will send to the nearest drug gist's for the means.'

Marsh took a piece of paper on which the chemist wrote an order, and soon returned with a vial and

sponge: Amidst intense excitement, which manifested itself by profound stillness, the juryman poured some of the color-He then drew the latter over the spot that showed the traces of writing. At once distinctly enough, but black color, the name of Clarance Preston.

We took our verdict without furth. er opposition; and judge, jury, counsel and plaintiff shook hands with Evans, and congratulated him on his vindicated reputation. The business from that day flowed in and Evans Abe" for the next Presidency. It complete Democratic triumph by mamade his fortune. He was grateful says it intends starting on a hunt in jorities ranging from eight to twentyto all concerned, particularly to Marsh July next for "a man with a will" to eight. WM, M. BRESLIN, Editor and Proprietor. LEBANON, PA.

The Provost Marshal General has decided that veterans re-enlisting

WEDNESDAY, FEBRUARY 24, 1884.

cannot be credited as part of the quota required of counties or districts ment. The quotas in the several districts must be made up by new reraw recruits will also cease after the 1st of March.

The decision of the Provost Marshal General, by authority of the the market price of which was twen-"Government" is a very unjust disty-nine cents, has been furnished by crimination to exclude the battlescarred heroes who have served their country for two years and a half, from an equal participation in the bounties offered by local authorities with new recruits who have seen no service.— Veterans are to receive but \$400, while raw recruits receive \$700 is. the decision of the military. Heads at Washington, and from them there is on in the Philadelphia package in no appeal. We can see no justice in while the Abolition Congress refuses the decision, turn it as we will; but it to raise the pay of the private solis in conformity to every other thing dier! done at Washington-bungling and incompetency.

10 One thousand new recruits at a single haul !-1000 additional Clerks and employees of various grades are authorized in the different Departments at Washington by the deficiency bill, "to serve for a term not exceeding the year after the close of set the example—'they will see a the present rebellion!" Salary firstrate. Now flock in Loyal Leaguers, and "avoid the draft."

The clause in the Revenue Bill taxing whiskey in the hands of dealers, has been defeated in Congress. Efforts will be made to bring the subject up again, as the sharks after the substance of the people are too ravenous to allow such a nice was originally written in ink, and e. slice to slip from their hungry

The New York Tribune is endeavoring to prove the superiority of the throats of Democrats. If they the black over the white soldier .-Some time since the abolitionists con- ted their obligations to the constitutended that they were as good, now | tion and the laws, what will prevent they are to be better. This is proba- them from violating an obligation to bly the prelude to giving them better dess liquid from the vial on the sponge. pay also, on the same principle as raw recruits are now to receive more bounty than veterans; in fact, we blarred and blotted by the manipula know not but that a black volunteer for the Democracy. In Lancaster Dr. St. Clair the Abolition candidate divided into three grand divisions, the electors, if allowed an exercise of here appeared in a faint blue to-day receives more bounty than white veteran!

The New York Independent, an abolition organ of more influence among the radicals than the New York Tribune, is out against "Old be voted for in November. We sugwhere it will find the next President.

Governor Seymour of New York has signed a bill passed by the Legislature of that state allowing that all which made us happy at soldiers to vote. The second Tuesbome, and great abroad, has perish- day of March has been appointed for ed! What have we left? We have the matter to be voted upon by the the whole Democratic ticket. This of each ward of a city, town, town- out with ropes and deposited carefulof course, according to abolition lying, es, mobs, and a bloody war. That's Copperheads are against soldiers vot-

> The Abolitionists, by their abuse and perversion of New York for what but that we of the free States should it aided us in the rebelinvasion of mind our own business and let alone matters in such a strait that should there be another danger and want of assistance we can hope for but little from that quarter. It is probable that the abolitionists were more grieved than pleased last summer on account of the promptness and assistance of New York, and should we, on resources, the people will attribute it to the ungrateful abolitionists.

For the Advertiser MR. EDITOR :- Will you be kind enough to inform me when and where the first shot, in the present unhappy rebellion, was fired upon our INQUIRER.

Answer.—By John Brown and his gang of abolitionists at Harper's Ferry, on the 16th of October, 1859 .-Then followed the attack on the Star three of us, and it takes leaven to of the West, on the 9th of January, divide his army into three grand divide his army into three the attack on Fort Sumter was made.

John Davis. She went to Binghamton, and while on the cars her sex and eight cannon. A reconnoissance was discovered by a soldier, who rereported her case to officer Farnham. at Folly Island, Charleston, captured She was arrested by Farnham and is now in jail. She is very pretty, and but for her voice, her sex would scarcely have been suspected. She had not been examined by the surgeon, and designed to evade an examination by having a man (a friend) ern Virginia, sixteen hundred Federexamined, and she take the enlisting tucky camps says the motto with papers. She is but sixteen years, of Confederates captured. Twenty-two empt. modest.

THE GOVERNMENT PAYS \$150 FOR AR-TICLES WORTH BUT \$12.

The following Senatorial dialogue dipped from the Congressional Globe, not more pithy than suggestive. As the parties are "friends of human freedom?' the Lebanon Courier, will hardly question the facts stated:

MR. HALE I have, seen and base this statement upon official documents which bave come under my notice—a list of articles furnished by advertised proposals to the Navy Department, where the price varied from one hundred to ten hundred; per cent. above the market price. A "For instance," an article costing twelve dollars has been furnished at \$150. That I have seen in official "MR. WILSON-Did the government

take it at that price? Mr. Hale-The government took it; the market price being twelve I will mention another article I have

contract on advertised proposals at eighty cents. Things of that sort I have seen from the official records of the department."

For protesting against such shame less waste and prodigality-for asking that the pay of the private soldenounced as copperheads! One huncle worth only \$12 to a contractor,

cial "test" oath prescribed by the first place to hypocrites. powers-that-be.

If it is supposed that some of the people of the border counties, who might claim damages occasioned by the rebel invasion last summer, are guilty of treasonable practices, or "disleyal" why not arrest, convict, and punish them by due course of law, which certainly can be done as an objectionable "test oath" down are traitors and have already viola-Abe Lincoln's emancipation and confiscation proclamations.

the Democratic candidate for Mayor was elected by an increased majority over the vote last fall. In some counties the Spring Elections are held in February, in regard to which. Spring Creek election resulted in a teen. !Corydon and Conewago electren borough ditto by good majorities, we presume has also been signed by which might have been much larger the President. It provides that:had the least effort been made.

DEMOCRATIC VICTORY IN ALTOONA.

people. As Seymour is a copperhead is a great triumph, and shows which way the wind blows.

The northern democracy is not maintaining, not that slavery is right,

THE WAR.

It is rumored that General Sherman has had a fight with the rebel General Polk, near Brandon, Mississippi, and whipped him, taking twelve thousand prisoners. The report needs confirmation.

From Louisiana we learn that on February 7th the Confederates under General Taylor attacked the Federal camp at Vidalia on the Mississippi opposite Natchez. Their force numbered three thousand. They were repulsed with loss and compelled to retreat. Nothing else of importance has occurred in that section.

From the army of the Potomac it is reported that on Thursday last a cavalry reconnoissance towards Aldie again been summoned to Washington; the object as reported being to Hancock and Couch.

the capture of one hundred prisoners four field pieces with their caissons, ammunition and gunners. Five negroes of the expedition were killed and wounded.

It is reported that by a recent Federal raid into Wayne county, Westal prisoners were released and sixty ster county.

good deal of fuss lately about a. dated. "General Gantt," formerly a rebel officer, but who is now traveling the the Democrats. In 1860 this same fellow made a speech in rebeldom, of

which the following is a specimen :-I can tell you how we did a whining Yankee out in Arkansas a few days ago. He got to making too free ase of inceadary language.— Our boys took him in hand. They carried him where acconvenient and friendly limb protruded. from the body of a stardy oak. They fastened one end of the rope to the limb, and the other around his peak and elevated him.

This villian the Courier calls a "moral hero," and wants him cheered by "words of encouragement from Copperhead editors." We'ed see him "elevated" first as he did the "Yankee." However Guntt is arguing the same cause now as he did then. He has the same object in his speeches north as in his speech above quoted dollars, and the contract price \$150. from.
