Why we are just on our way to Daily's Photograph Gallery, to have our pictures taken. He takes spleudid pictures, and his Gallery is nearly all the time crowled, so I said to Natcy we will go ear-ly this morning before any, body else getsthere, or we will have to come away again without getting any. Ans. - Oh my i we could not think of such a thing.-We admire the true and beautiful picture that Daily takes, so much that we would not go to another Gal-lery if we could get them foi nothing. Hehas seven years, experience in the busines, haes a complete set of improved instruments, an excellint sky-light, any there fore takes the best pictures n town, and so of courso every body that wants a good picture.
