> HOLLOWAY'S PILLS OINTMENT.

All who have Friends and Relatives in the Army or Navy, should take special care, that they be amply supplied with these Pills and Ointnient; and where the brave Soldiers and Sallers have neglected to provide themselves with them, no better present can be sent them by their friends. They have been proved to the Soldier's never-failing friend in the hour of seed. Pills, and the Soldier will quickly acquire additional
strength. Never let the Bowels be either confined or
undury acted upon. It may seem strange that Holloway's Pills should be recommended for Dysentery and
Flux, many persons supposing that they would forcease
the relaxation. This is a great mistake, for these Pills
with correct the liver and stougach, and thus remove all
the acrid humors trom the syst m. This medicine will
give tone and vigor to the whole organic system howevor deranged, while thealth and strength follow as a matter of course. Nothing will stop the relaxation of the
Bowels so sure as this fazzoes medicine.
VOLUNTEERS ATTENTION! INDISCRE-

Sores and Ulcers, Blotches and Swellings, can with certainty be radically eared if the Pills are taken night and morning, and the Ontomen be freely used as stated in the printed instructions. If treated in any other manner they dry up in one part to break outleanother whereas this uninnent will remove the humors from the system and leave the Patient's vigorous and healthy man. It will require a little perseverance in bad cases to prove a lasting care.
